THIS TIME BOMB CALLED ZIONISM

by Lt. Col. Gordon "Jack" Mohr, A.U.S. Ret.

INTRODUCTION

For some time now I have agonized over writing this short book. In spite of what some may think, I do not like to belabor my listeners with harsh reality. It is much easier to tell them like some of our pastors do: "Something good is going to happen to you today!" rather than as Jesus did when He said, "I tell you Nay: but, except ye repent, ye shall all likewise perish." **(Luke 13:3)** Our American people, especially White Christians have become adverse to anything that is negative, it is looked on as a *sort of sin.*

This is nothing new, for at the time of Isaiah, about 713 B.C. the Israel people were telling their religious leaders: "Which say to the seers, see not; and to the prophets, prophesy not unto us right things, speak unto us smooth things, prophesy deceits." Our White Christian people like to be fooled by smooth words today, as much as when this was written 2700 years ago.

My fear of God, is much stronger than the words or actions of mere men, so I must abide by His command in **Ezekiel 33:6 -** "If the watchman see the sword (danger) come, and blow not the trumpet, and the people are not warned; if the sword come and take any person from among them, he is taken away in his iniquity; ***but his blood will I require at the watchman's hand."*** (Emphasis mine). Since God ordained me as a **watchman**, I don't know why, as there are many times I don't like the ***watchman's*** negative message either, I must abide by His Word.

Whenever I have written a treatise exposing Jewish hostility towards Christ and His church, the Judeo-Christian world has immediately answered with some type of diatribe: "Here Mohr goes again, with another of his asinine Jewish Conspiracy theories." There is a world-wide conspiracy to destroy White Christian Civilization, whether you want to accept it or not, and I hope to expose it before this book is finished, by quoting directly *from the horses' mouth* or if this phrase disturbs you, from Jewish sources.

Even religious experts like Jack Van Impe, Jerry Falwell, Pat Robertson, and David Webber who are avid Christian Zionists, if there can be such a misnomer, who consider me to be an *apostate religious reprobate,* because I accept Christ's evaluation of the Jews in **John 10:26,** when He told their religious leaders face to face: "But ye believe not, because ye are *not of my sheep,"* (Emphasis mine). In **Matthew 23:10,** in another face to face confrontation, He accused them of going over sea and land to make converts, only to "turn them into two-fold more children of hell them themselves." feel that I stand on solid ground when I quote Him.

Some of you no doubt who read this book will get angry and like the Anti-Defamation League, of the Jewish B'nai B'rith, in their special bulletin of December 1990, titled Col. Gordon "Jack" Mohr, "An **Officer and a Hatemonger!**" will rather believe the outright lies of God's enemies than the *truth* I will present. I do not write this book to make money, for I

will pay for it's printing out of my own pocket, and do not expect to get enough to cover initial costs. I do not writ it because I hate you as a fellow Christian, no matter whether you are a Judeo-Christian or not. I write it because I am compelled to tell you the *truth,* which could mean the difference for you between freedom and slavery for you and you're loved one's on the Zionist World Plantation planned for the future.

The Jew Harold Rosenthal, who was the Assistant to the powerful Jewish Senator, from New York, Jacob Javits, in a paid interview with Walter White Jr., of "Western Front", in 1976, said: "We Jews continue to be amazed with the ease by which Christian Americans have fallen into our hands. While naive Christians have waited for Kruschev to 'bury them' we taught you to be subservient to our every command.... We Jews have put issue upon issue to the American people. Then we promote both sides, and as confusion reigns, with your eyes fixed on the issue, you fail to see who is behind the scene. We Jews toy with Christians like a cat does with a mouse... Anti-Semitism does not signify opposition to Semitism. There is no such thing. It is smear word we Jews use effectively against bigots like you - anyone who dares to criticize us, we label them as ***hatemongers,*** (UNQ).

This book is not written with hatred for Jews or Judaism, but as an answer to my Christian (?) critics who brand me as a ***neo-Nazi,*** a ***hatemonger,*** an ***anti-Semitic,*** or as one Jewish Talk Show host in Minneapolis called me: "A pornographer of paranoia!"

This book will take you behind the ***smoke screen,*** directly to Jewish sources, and show you what they have to say themselves about their plan for <u>world conquest</u>. One of their worst failings is their desire to boast about their accomplishments, especially if it makes a Christian ***goyim*** look bad. (The term ***goyim*** is a Yiddish word, taken from their religious book the Talmud, which says that "all non-Jews are animals, and only Jews are men.")

They especially hate Identity Christians, for we can prove from the Bible and history that we are the <u>true Israelites</u> of the Bible, while they are the impostors our risen Lord spoke about in **Revelations 3:9,** when He said, "Behold, I will make them of the synagogue of Satan, which say they are Jews, and are not, but do lie; behold, I will make them to come and worship before thy feet, and to know that I loved thee." Their religious leaders know this and are afraid and fear causes hate!

As this 20th Millennium came to a ***screeching close,*** the forces of the Anti-Christ of Zionism are redoubling their efforts against Christians, and Identity Christians in particular, as we are the only effective opposition against them and their plans for World Conquest. Their battle plan calls for world takeover in the year 2000. Already they have persuaded the Federal Government, and the F.B.I. recently declared **Identity Christians,** to be an enemy of the state, and danger to all Americans.

I am an old man now. I gave many years of the prime of life for the service of this country, serving in combat in World War II and Korea. This may be my last chance to give you warning against those who hate, and want to destroy you. My Army oath to serve this country against all enemies both foreign and domestic, means as much to me today, as when I entered the Army during World War II. I echo the words of a great American patriot when he said, "Is life so dear, or peace so sweet as to be purchased with the price of chains and slavery. Forbid it, Almighty God. I know not what course others may take, but

as for me, 'Give me Liberty, or give me death!"

THIS TIME BOMB CALLED ZIONISM

THE ENEMY ANSWERS!

Everywhere I go in the Christian world, and I have spoken in over 3800 communities in the United States and Canada and in five foreign countries, I have tried to expose ungodliness and the anti-Christ hatred of Judaism. Everywhere I have been met with skepticism on the part of good, by ***brainwashed*** Christians and often with hostility. In fact the preachers of America have been worse enemies of this ***truth,*** than the Jews themselves.

Listen to some of their statements regarding my ministry: "From a historical point of view, the Jewish world conspiracy is complete rubbish. A variety of charges historically have been leveled against Jews and have been used as a tool of exploitation of the ghettos: Unfortunately Christianity has often played a part in this persecution of the Jews." (This from a Unitarian pastor.)

It might be well to note that **true Christianity**has never persecuted anyone, (under the guise of Christianity, many horrible things have been done, such as the Crusades, and the Spanish Inquisition. A good modern example, is the so called Christian military forces in Lebanon, which have been armed and controlled by the anti-Christ Israeli).

Another statement: "The cause Mohr espouses is but another perversion of the 10 Lost Tribes theory. It's too bad it has come to this country. Today the Jews are all of Israel and Judaism of today is the Judaism Jesus followed." (a Baptist minister)

We will see later in this book, what the Jews have to say about themselves.

A Captain in the Salvation Army made this statement: "The movement Mohr represents is diametrically opposed to everything I have learned in my years as a Christian pastor."

"We Christians have not always acted with the wisdom we should in the past and have earned valid criticism. Perhaps in the Christian world had spoken out with a clearer voice against Hitler's rise to power, there would have been no Holocaust." (Presbyterian pastor)

"The John Birch Society believes that anyone who tries to blame the spread of Communism on one racial or religious group will be ineffective." (Local Chapter Leader of the JBS, expounding official JBS doctrine). This was in answer to my charge that Communism was and still is a Jewish World movement, sponsored and led primarily by Jews. We will see what Jewish leaders have to say about this.

"We disagree with the Jews on doctrine, but do not believe they are against Christianity," (Church of Christ pastor).

"We are united in rejecting all forms of racism and anti-Semitism and deplore the acceptance of these evils in the name of Christianity." (Area Inter-faith Council, naturally!)

"Mohr's message does a great disservice to the Gospel. His message is not the Word of God but that of man and is hideously wrong," (From a Presbyterian minister who had never heard me speak, or read one of my books. His information on what I believe was all second handed!)

"America has traditionally supported Israel (the Jews), not because of Jewish political power, but because they supported a people who are trying to maintain their freedom and a democratic way of life." (Leader of the Hebrew-Christian Fellowship of so called, born again Jews). Ask the minority Arabs in Israel, whose land was stolen from them by force, to answer this question.

"Truth twisting, poor Mohr seems to be plagued with this affliction. After majoring in history for three years, I can assure you that the Jews had little to do with the Bolshevik Revolution." (University graduate). The Apostle Paul said in **2 Timothy 3:7,** that there were many people who were "Ever learning, but never able to come to the knowledge of the truth." Our Universities, politics, and church pulpits are filled with these educated idiots. The D.D., behind a preachers name doesn't always indicate Doctor of Divinity, according to **Isaiah 56:10,** it could stand for **Dumb Dog!**

"It's sad that Mohr is allowed to spout such evil thoughts (facts) as truth and have them accepted. If this represents Christianity, then there are not many Christians in this land. At the end of his speech did the audience jump to their feet, give him a Hitler salute and shout '**Seig Heil!'?**" (Another Judeo-Christian preacher who has never heard me speak.)

For a little while lets lay all Scriptural and historical evidence aside and see what Jewish leaders down through the years have said about Judaism, it's aims and purposes.

I will give you a lot of documented information, so that if you wish, you can check out the facts for yourself! I do not ask you to believe anything I say. I do ask you to be honest enough to check it out, and when you find I am correct, then have the courage to speak out about it! I have found that most church leaders will condemn, before they know anything about a man 5 ministry. When I first went to my pastor, of a little Fundamentalist Baptist Church, in Bay Saint Louis, Mississippi, with information I had gained during an intense three months study on the part Judaism played in the Bolshevik Revolution, he turned on me in anger, and denounced me to the Baptist ministers in the state. Within two weeks, men I had known and loved, and in whose church I had held successful Revival Meetings, would not speak to me when we met on the streets. Not wanting to "sail under a false flag", I wrote a letter to 200 Fundamentalist pastors and lay leaders, explaining my new found position on Jewry. Within a month this resulted in the cancellation of fourteen week long Revival scheduled for 1981, not because of any change in my doctrinal stands on Christianity, but because I no longer accepted the anti-Christs of Jewry as God's Chosen. Although many harsh words were said against me by men I had considered my friends, in the 18 years since I left the Fundamentalist Camp, not one of these pastors has ever written me to say:

"Brother Mohr, let me show you from God's Word where you are wrong! Only one out of a hundreds I had known and loved, ever remained my friend. (So much for the term ***hatemonger,*** that they love to toss at me.)

I have found the sad truth that organized religion is not interested in and will not accept the ***truth,*** if it differs in any way from their church tradition. They fulfill the description Jesus gave of the Pharisees, when He said of them in **Matthew 15:7-9** - "Ye hypocrites, well did Esaias prophesy of you, saying, 'This people draweth nigh unto Me with their mouth,

and honoureth Me with their lips; but their heart is far from Me. But in vain they do worship me, teaching for doctrines the commandments of men." (Many times these are the Jewish fables, the Apostle Paul warned about in **Titus 1:10,14.)**

Most churchmen will not accept the ***truth,*** because they would have to admit they were wrong, and they are too proud to do that. It's easy, I know from sad personal experience. As a result of this recalcitrant attitude I have had to say to many professing Christians I love, the words the Apostle Paul spoke to the church at Galatia in **Galatians 4:16** when he said: "Am I therefore become your enemy, because I tell you the ***truth?***"

I dare you to take the facts I present, put them under the powerful magnifying glass of the Scriptures and history, and when you find that I have told you the truth, let nothing stop you from proclaiming it, for only by knowing and proclaiming ***truth*** can Christians remain ***free.***

WHAT JEWISH LEADERS SAY ABOUT JUDAISM!

1.) In the "**Jewish Chronicle",** April 4, 1918, you can read: there is much in the fact of Bolshevism itself, in the fact that so many Jews are Bolshevists, in the fact that the ideals of Bolshehvism, are consonant (in agreement with) the finest ideals of Judaism.

2.) David Brown, National Chairman of the United Jewish Campaign in London, in 1934, said: "We Jews are going to bring war to Germany." (World Jewry had amassed a 2 Billion dollar War Chest for the destruction of Christian Germany, long before Hitler came into power in 1933.)

This was an essential step in the Zionist long range plan to control the world.

3.) In the "**The London Jewish Chronicles",** January 22, 1943, the Jew Berl Locker speaking undr Zionist Conference said: "We have the right to come to the world and say, 'Here is the Jewish problem, settle it to our satisfaction or there will be no rest in the world." This attitude in Yiddish is called ***chutzpah,*** which means "shameless audacity; impudence" which is the hallmark of the World Judaism recognized by the Apostle Paul when he wrote in **1 Thessalonians 2:15,** and said: they please not God, and are contrary to all men."

4.) Dr. B. Messinsohn, a Jewish leader speaking in Cape Town, South Africa, was reported in the "**South African Times",** of July 2, 1930 to have threatened the world when he said: "I warn the world, that if it does not keep faith with us (Jews), there are 16 million Jews who will be filled again with the hatred which has released so many great destruction against the Christian world." (This is reminiscent of Christ's words to the Pharisees in **Matthew 23:35,** when He accused them of being guilty of ***all*** the righteous blood shed one earth since the time Cain killed his brother Abel. (The king's accusation, not mine!)

5.) Colonel M.P. Nathan, Chairman of the National Defense Commission, as reported in the "**London Jewish Chronicle",** January 27, 1939 - "If Zion falls, the British Empire will fall with it."

6.) Marcus Eli Ravage, writing in the "**Century Magazine",** January 1928 - "We Jews are at the bottom of nearly all your wars; not only of the Russian but every other major revolution in your history... We did it with the irresistible might of our spirit, with ideas,

and propaganda." (And I might say money that had been stolen from Christian sources. Here he admits to their being the ***fountainhead*** of **BRAIN WASHING** techniques, which are known as **PSYCHOPOLITICS,** "The art of controlling the thinking of a nation you are trying to conquer." They have been ultimately successful in using this technique within the Christian world, where they have persuaded millions that Christ's worst enemies, are really His Chosen.)

7.) Oscar Levy, in the preface of his book, "The **World Significance of the Russian Revolution",** says: "There is scarcely an event in modern Europe that cannot be traced back to the Jews. We Jews are today nothing else but the world's seducers, it's destroyers, it's incendiaries, it's executioners."

8.) Professor Goldwin Smith, Professor of Modern History at Oxford University, October 1881 - "We Jews regard our race as superior to humanity and look forward not to it's union with other races, but to it's triumph over them." (Of course it is a known fact, that the Jews are no more a ***race,*** than are Christians, or any other religion.)

9.) Count Mensdorf, Austrian Ambassador to Great Britain in 1918 said: "Israel (Jews) won World War I; we made it; thrived on it; profited from it. It was our (Jews) supreme revenge against Christianity." (Another case of White Israelites fighting a fratricidal war against their kin, for Jewish benefit.)

10.) Benjamin Disraeli, Jewish Prime Minister for Great Britain in 1852, during the reign of Queen Victoria, in his book the "**Life of Lord George Bentich",** London, 1852, said: "The influence of the Jews may be traced in the last outbreak of destructive principles in Europe. An insurrection takes place against tradition; against religion, and against property ...men of the Jewish race are ***always*** found to be at the head of every one of them. They cooperate with atheists: the most skillful accumulators of property themselves, cooperate with Communists: this peculiar race (Jews) ...touches the hand of all the scum and outcasts of Europe; and all this because they wish to destroy ungrateful Christianity."

11.) Samuel Roth, "We (Jews) come to the nations pretending to escape persecution, and we are the most deadly persecutors in all the wretched annuals of mankind."

12.) THE MACCABEAN, Zionist Organization, N.Y., November 1905 headlines concerning Bolshevism in Russia: "**IT IS A JEWISH REVOLUTION!**"

13.) "**THE AMERICAN HEBREW",** leading Jewish newspaper in the United *States,* September 10, 1920: "The Bolshevik Revolution in Russia was the work of Jewish brains, of Jewish dissatisfaction, of Jewish planning, whose goal was to create a New World Order. What happened in Russia, shall also through the same Jewish mental and physical forces, become a reality all over the world." This plan was discussed in the PROTOCOLS OF THE LEARNED ELDERS OF ZION in 1900, which the Jewish world and it's Judeo-Christian stooges, have declared to be a counterfeit.)

14.) "**THE JEWISH WORLD",** London, January 16, 1918: "International Judaism forced Europe to War, not only to seize a large part of the world's gold, but to start a new Jewish War (World War II) , with the help of this gold."

15.) One time President of the World Zionist Organization of America: "The non-Jewish

world regards the Jews as a power to be reckoned with... Britain's need of Jewish support furnished Zionism diplomacy the element of strength and bargaining power which is required to back it's moral appeal." (From Alfred Lilienthal's book "THE **ZIONIST CONNECTION",** Page 21.)

16.) "**YIDDISH BULLETIN", May** 19, 1950, quoting from Rabbi Phillip Bernstein on the Zionist Movement: "By pressing for an exodus of Jews from Europe; by insisting that Jews do not want to go to any country outside of Israel they (Zionist) sacrificed the interests of living people . to the politics of their own Movement."

17.) "**THE ZIONIST CONNECTION",** by Alfred Lilienthal, page 105 "From the outset of their drive to win a state for themselves, the Zionists had to hide their true nationalistic, political ambitions beneath the outer garment of philanthropy in order to win the support of wealthy, influential Jewish families, who were non-Zionist, if not anti-Zionist, at the time. A forthright exposition of true Zionist goals would have endangered the success of their movement."

18.) Theodore Hertzl, father of modern Zionism in his "**DIARIES",** page 10, said, "We must expropriate gently the private property on the estates assigned to us. We should try to spirit the penniless Arab population across the borders by procuring employment for them in transit countries, while denying them any employment in our country." (If anyone other than a Jew had made this statement, the Christian world would have been **up in arms over it** and it would have been labeled as **racist.** By playing up such obvious **hoaxes** the Jewish world has been able to hoodwink millions of **sheeple** in the Judeo-Christian world, into accepting anything they say as Gospel truth!)

19.) While the Palestine State of the Israelis is held up to Americans as being a Democracy, the Iraelis in 1948-49, adopted the following articles from the Emergency Defense Regulations of so called Christian Great Britain: **ARTTCLE** 109/110) Government has the right to enter anyone's home at any hour, day or night.

> **ARTICLE** 119) This Act empowers the Military Commander to destroy a home if it comes under his suspicion. (This has been used as an excuse to destroy thousands of Arab homes.)
>
> **ARTICLE 120)** This gives the Military Commander the right to confiscate private property." (We find the Israeli government doing the same thing to the Arabs, that they accused Hitler of doing to Germany's Jews.)
>
> **ARTICLES 121)** This gives the right of expulsion of anyone from the country who does not conform to Israeli ideas.

20.) Dr. Israel Shahak, Professor of Organic Chemistry at Hebrew Zionist University, citing laws and regulations in force in Israel, said, "The State of Israel (Israelis) is a racist state in the full meaning of the term, because people are discriminated against, in the most permanent and legal way in the most important areas of life, only because of their ethnic origin, one who is not a Jew." (This in a country we have been told is a Democracy.)

21.) Quoting again from Alfred Lilienthal's book "THE **ZIONIST CONNECTION",** page

139 "The Israeli economy is perpetually confronted by two unusual internal factors working against it: heavy dependence on outside gifts (largely from the United States and the Christian world) and total dependence on a slave-worker population composed of Arabs and Oriental Jews." (Billions of dollars of God's tithe, has been filched from Christian pockets, through the clever machinations of Jewish propaganda.)

22.) Harry Levin, in the book "**JERUSALEM EMBATTLED",** page 57, stated of the Israeli terrorism against Arabs at the Village of Deir Yassim, (which was perpetrated by the Israeli **Irgun Zumi Leumi,** a Jewish terrorist gang led by Menachim Begin, who later became Prime Minister): "Far worse than the more celebrated King David Hotel attack, which only killed 95 British and Arabs, and which led to the garroting of two British sergeants at Nathanya, was the attack on the small Arab village of Deir Yassin, in which 254 women, children, and old men were killed and their bodies thrown down a well on April 9, 1948. This particular village... west of Jerusalem, had managed to keep out of the fighting until that moment when the Haganah Commander David Shaltiti noted that Deir Yassin had been quiet since the beginning of the disturbances... not mentioned in any attacks on Jews, and one of the few places which had not given a foothold to terrorist bands.

"Deir Yassin had done nothing to provoke an Israeli attack and had lived in peace with it's Israeli neighbors. They had even cooperated with the Jewish Agency and was said by Jerusalem newspapers to have driven out some Arab militants.

"No warning was given of an impending attack, although Begin said, 'the villagers had been warned beforehand.' The initial resistance of Deir Yassin was easily overcome, and all the inhabitants were ordered into the village square. Here they were lined up against a wall and shot, one eye witness said her sister who was 9 months pregnant was shot in the back of the neck. Her assailants then cut open her stomach with a butcher knife and extracted the unborn baby. When an Arab woman tried to take the baby, she was shot. According to eye witnesses, female members of this Jewish gang, matched the savagery of their male counterparts. Women were raped before the eyes of their children, before being murdered and dumped down the well and even representatives of the International Red Cross who were inured to scenes of violence became nauseated by what they saw."

This information, so reminiscent of the savagery they accused the Nazis of was carefully kept from American Christians, and even after it became known, Judeo-Christian pastors still continued to refer to them as God's Chosen.

Christians have been coerced into full hearted support of Zionism to the tune of billions of dollars each year, by their pastors and believer they are doing God's will by supporting these people who have openly declared their intentions to "drive God from the skies,and destroy White Christian civilization." It is almost impossible to get them to listen to the facts, and when someone comes along who has taken the time and effort necessary to ***know*** the ***truth,*** especially that of contemporary Jewish history, and tries to warn them, they turn on him with a savagery which is most unChristian. As a result, American Christians have become the most easily subverted people in the world, as they are lead to disaster by their church leaders, many of whom know the truth. This refusal to even look for the truth, has caused the condition in the church world, predicted by the Apostle Paul in **2 Timothy 3:5,** speaking about religious people. "Having a form of godliness, but

denying the power thereof: from such turn away." Again in **verse 7** of the same Chapter "Ever learning, and never able to come to the knowledge of the truth."

Recently, an advertisement was received from the Jack Van Impe Ministries International, touting a full length video, of a new film, "**TRIBULATION".** It said, "discover how powerful a force Hollywood (which we know is Jewish controlled) can be for the Gospel." It goes on to say: "If you have ever longed for an exciting high quality Hollywood film that was completely trustworthy to the Word of God ...your wait is over!" It goes on in detail to tell you how you "now have a film that you can share with Christian friends with confidence!" It is about to hit the nation's theaters, but you can get a first glance at it and aid the Van Impe Ministries with a gift of $50.00. It was produced by the Van Impe Ministries, and Peter and Paul La Londe of 'This week in Bible Prophesy'." If you know anything about these so called Christian leaders, you know they are completely ***sold out*** to Zionist interests, and proudly proclaim themselves to be Zionist Christians. (This is impossible, for the Jews do not worship the same God that Bible Christians worship), and it is impossible to follow a false religion as they do and be true to Jesus Christ, no matter what they, and other ***brainwashed*** preachers say to the contrary. Here are a few of the things you will see in this film:

1.) The instantaneous vanishing of 187 million of the earth's citizens in the **RAPTURE.**

2.) A world leader so charismatic and influential that he heads an apparently inescapable, all destructive global holocaust, while proclaiming a new era of peace.

3.) A world where the influence of the Church (Jesus Christ) has ended, and ethics and morality on longer exists; a realm where there is no law; no rules except those of an increasingly cruel and vicious dictator who shows no mercy and had no compassion. (This my Christian friends, is a word description, of the International Jewish Slave Plantation, Jack Van Impe, and the Zionists are working for, where according to their religious book the "**BABYLONIAN TALMUD",** when their Messiah, the victory of Judaism comes, every Jew will have 2,000 ***goyim,*** non-Jew animals, you and I, as slaves.)

As far as I'm concerned, professing Christians like Van Impe, his wife Rexella, and the La Londa Brothers, who have completely **sold out** to world Zionism, are beneath contempt of decent people, for they are proven ***traitors*** to the King they claim to serve, and serve instead His most vicious enemies.

On page 240 of Alfred Lilienthal's "THE **ZIONIST CONNECTION",** he says: "None of the many powerful political lobbies in Washington is better entrenched then the meticulous organized brokers of the Jewish vote. The individual Jew who might not go along with Zionist ideology, is often too cowardly to speak up and take the usurpers of his choice to task, and so the peddling of his vote goes forward. Hence the happy alliance dating back to World War I between the supine American politician and the Zionists, who have controlled the Congress in it's almost 100% Pro-Zionist stance." It is a known fact that 70

out of our 100 Senators, vote the ***straight Israeli ticket,*** causing one high ranking Israeli official to openly boast recently, "We have the best Congress money can buy!"

24.) In the "TALMUD TORCH" a Jewish periodical are the following comments on Jewish law. Compare them with the Ten Commandments of God, given to the Hebrew Moses:

a.) COMMANDMENT VI on (murder): God's Law says, "Thou shalt not commit murder!" In the SANHEDRIN volume of the TALMUD 57a, we read: "A Jew is allowed to suppress a non-Jew, for it is written, 'Thou shalt do no wrong to thy neighbor' -this is not written concerning the Gentile." In the volume ABODAH ZARA, 12b-26b: "Bloodshed is forbidden to a Gentile who may kill neither another Gentile or a Jew; but it is not forbidden to the Jew in regards to the Gentile."

b.) COMMANDMENT VII (adultery): God's Law says, "Thou shalt not commit adultery!" The SANHEDRIN 57a; ABODAH ZARA, 13b, 26b says: "Theft, robbery, and rape of a beautiful woman and similar deeds are forbidden to every Gentile towards another Gentile, and also towards a Jew: but they are allowed to a Jew against a Gentile." (This is the hypocritical double standard of Jewry, practiced by Jews in their dealings with non-Jews and which has been responsible for their being kicked our of every country in Europe at some time or other. The Jews, according to the TALMUD, looks on a Gentile woman as a ***piece of raw meat,*** to be used as he desires, and thousands of decent White girls, including many Christians, have been seduced by the Jews in Hollywood, when they sought for fame in the movies. It is also the major reason Jews head the prostitution and pornography business everywhere.

c.) COMMANDMENT VIII (stealing): God's law says: "Thou shalt not steal!" BABA MESIA, 61A says: "It is not allowed since **Leviticus 19:13** says: 'Thou shalt not defraud thy neighbor, neither rob him.' But these words, says, Jedhuda, 'do not apply to non-Jew, because he is not a brother.'" This gives Jews a religion basis for theft from ***goyim.*** It's no wonder Jesus told the Jewish leaders in **Matthew 15:6 - "Ye** have made the commandment of God of non-effect by your traditions.

d.) COMMANDMENT Ix (bearing false witness): God's law says, "Thou shalt not bear false witness." THE KOL NIDRE PRAYER, which is recited by every Jew, religious or not, on the Day of Atonement, makes all "**vows, <u>obligations, oaths and promises</u>** void during the following year." How can we trust a Jewish Congressman,. Judge, or other official, when they have the sanction of their god to lie?

25.) Asher Ginsberg, a modern Jewish scribe, on page 42 of "**WATERS FLOWING EASTWARD**" says: "Our (Jews) countersign is force and make believe. Only ***force*** conquers in political affairs, especially if it is concealed in the talents essential to statesmanship. Violence ***must*** be the Principle, and cunning and make believe the Rule of

governments which do not want to lay down their crowns at the feet of agents of some new power. Therefore, we (Jews) should not stop at bribery, deceit, and treachery, when they should serve towards the attainment of our ends. In politics one must know how to seize the property of others without hesitation, if by it we secure submission and sovereignty. Sentences of death are necessary to maintain the terror which tends to produce blind submission."

Compare this with the Zionist/Communist textbook on "**PSYCHOPOLITICS",** page 30 (available from Scriptures for America, P.O. Box 766 La Porte, CO. 80535) "Obedience is the result of force. Concurrent with force is brutality. The most barbarous, unrestrained, brutal use of force if carried far enough, invokes obedience. Any organization which has the spirit and courage to display inhumanity, savageness, brutality, and an uncompromising lack of humanity will be obeyed... If you would have obedience, you ***must*** have no compromise with humanity. If you would have obedience, you must make it clearly understood that you will have no mercy. Man is an animal, and in the final analysis understands only those things a brute understands." (Jews consider non-Jew ***goyim*** as animals.) The things the Jewish religion teachers, are the very things they condemn in Nazism.

26.) A few years ago I was verbally attacked by a Jewish Rabbi from Ft. Collins, Colorado, after I had spoken in Pastor Peters, Church of Christ, in La Porte, CO. on the dangers posed by Judaism. He claimed that the "TALMUD" did not contain anti-Christian statements. Yet a former Rabbi Drach, who converted to Catholicism said in "**De l'Harmonie entre: Eglise et la Synagogue",** (Paris, 1844, Vol 1, pages 163-164) "The "TALMUD" contains a great number of dreaming, ridiculous exaggerations, very revolting indecencies, and above all horrible blasphemies against everything the Christian religious stands for."

In 1923, when the Jew, Dr. Alfredhad enszky, translated the "TALMUD" into the Hungarian language, he was charged by order of the Public Ministry, with ***pornography and corruption of public morals.*** The Court finding, in part read: "The horrors contained in the translation of Alfred Luzsenzsky are without exception found in the "TALMUD". His translation is accurate, for it renders these passages which are the text of the "TALMUD" in their exact meaning." (German translation in "Der Talmud" in nichtgu discehs Beleuchtung, 1932.)

27.) Another Jewish teaching concerning violence is found in the "TALMUD" volume ABODAH ZARAH, 4b: "Thou shalt surely kill him (the goyim). Thou shalt surely smite him with stones until he die. Thou shalt surely smite the inhabitants of that (Gentile) city with the edge of the sword, destroying it utterly and all that are therein, and the cattle thereof with the edge of the sword. Thou shalt gather all the spoils of it in the midst of the street thereof and shall burn with fire all the city, and all the spoil thereof . ." (This of course, is a counterfeit of the orders Moses gave to Israel when they were ordered to wipe out the wicked inhabitants of Canaan.) With religious teaching such as this, one can understand why the Israelis do not hesitate to bomb an Arab town in Lebanon, killing men, women, and children who have never harmed them. They do not need the excuse of PLO terrorism, which our press loves to exaggerate. On the Arab side those who fight for

their homes and freedom are called ***terrorists,*** just as those of us who love God, our freedom, and are willing to fight for it, are now considered by our government to be ***enemies of the State.*** The Israelis, who do the legalized murdering are considered by our controlled press to be freedom fighters. This is the double speak of Orwell's "**1984".**

28.) In the "**TALMUD",** BABA KAMA , 113a, the Jewish Judge is admonished: "If a Jew has a suit against a non-Jew, you (Jewish Judge) will take the Jew's side as far as possible, and you will, say to the non-Jew, 'Thus it is according to our Law! If it is possible, according to the laws of the Gentiles, you will also take the Jew's side and say to the Gentiles, 'Thus it is according to your Laws!' If neither of these alternatives is possible, then you ***must*** cheat!"

29.) From the "**TALMUD**", CHOSCHEN ha-MISCHPAT, 348,1: "A Jew may rob a Gentile, that is he may cheat him, if unlikely to be detected."

30.) To show you how the "**TALMUD**" is used by orthodox Jews, it might be interesting to note that they have 613 special injunctions given for daily living. 248 are positive injunctions and 365 are prohibitions on what Jews may do. Whether he eats or drinks, dresses, washes, prays, or plays, sleeps or satisfies nature, every act is studied and discussed by the Rabbis in the "**TALMUD**". Jesus accused them in **Matthew 23:25 -** "Woe unto you, scribes and Pharisees, hypocrites! for ye make clean the outside of the cup and of the platter, but within they are full of extortion (robbery) and excess (self indulgence)." The Jewish writer, W. Sambart, writing on the Rothschild family of Europe, head of the International Jewish banking power said: "The last Rothschild of Frankfort, who died in 1901, had a servant walk in front of him and wipe the door knobs before his master's hands touched the surface, as they might have been defiled by unworthy hands. This Rothschild would touch only bank notes which came straight from the Government printing press; he would never touch one that had been in circulation." (You can see what Jesus meant when He referred to them as hypocrites.)

31.) Some say that modern Jewry does not follow the "TALMUD", but Professor Cohen, as a sworn expert, testified before a court in Markburg, Germany in April 1888: "The whole organization of the Jewish community is founded on the Talmud, which one must regard as the source and as the basis of the Jewish religion . . Non-religious Jews, while not being bound by the Talmud, nevertheless remain within the pale of Jewry, because they accept entirely the Jewish moral law. In this respect, they cling to the Talmud which contains this Law." Jewish religious leaders today call the Talmud "the heart blood of modern Jewry."

32.) The Jewish race is caught in a terrible snare. They believe and teach that they are superior to other people, because their god has decreed that they shall rule over the ***goyim animals;*** In one place in the Talmud, I can't recall the exact location, it says that G-d created the goyim, so that Jews would not have to served by beasts. All their actions consciously or unconsciously are guided by this false image, those of us who know we are <u>true **Israel, must**</u> be careful that we are not carried away by this same terrible under current. We know we are on the earth for a special purpose, (See 1 **Peter 2:9),** and are a peculiar people, (set aside by God to be His Ambassadors for the Gospel, not dictators as Jewry teaches.)

The major difference between <u>**false Israel**</u>and <u>**true Israel,**</u> is that one teaches a religious

hate, against that which is good while true Israel is a religion of love for that which is good. We hate all right, but it is in the words of David in **Psalm 139:21,22** when he said, "Do not I hate them, O lord, that hate thee? and am not I grieved with those that rise up against thee? I hate them with perfect hatred: I count them my enemies." There is a vast difference!

Careful study of contemporary Jewish authors will show you that Jewish writers glory in the common hatred which unites their people against all mankind, and which is consecrated in the pages of the Talmud.

One of the best examples of this hatred against an entire nation of people, can be found in the virulent book "**GERMANY MUST PERISH!**" Written by the Jew Theodore Kaufman in 1941. on page 6, he says, "This war (WWII) is being waged by the German people... she must be prepared to pay the ***total penalty, and there is only one such penalty - Germany must perish forever!*** Then on page 22, he goes on:... Germans are an execrable (detest

"The German has decided that his race has been elected by. G-d to order the modern world. Anyone who resists him is an arrogant usurper, who ought to be crushed." In the light of what the Talmud. teaches, this seems like the pot calling the kettle black!"

Any intelligent person who makes a study of European history, will see the falsehood of his statement, and understand that Kaufman is taking Jewish traits, and transferring them to a people he hates. History proves that Germany was at the bottom of the list of great nations who started wars in Europe, and that they gave the Jews many privileges to become national leaders, which they immediately misused, as they are doing in the United States and other White nations of Christendom today. The day will inevitably come, as it did in many places in Europe, when they will be expelled for their treachery, chicanery, and immorality.

In his chapter titled "**DEATH TO GERMANY",** Kaufman carried his Jewish hatred to the ultimate with a plan for the sterilization of all German males under the age of 60,. and all females under the age of 40. On page 88, he said, "In the span of two generations... the elimination of Germanium and its carriers, will have become an accomplished fact." In other words, Kaufman is supporting ***planned genocide*** of those he hates, the very thing the Jews accused Hitler of attempting. What about the 65 million people of German descent in America? (Of which I am a proud part.) Would the Jews eliminate us too? Very probably, if we as Christians opposed their plan for world conquest.

In 1921, a Rabbi Green, of the Hampstead Synagogue, near London, proposed to read passages from the New Testament to some of his advanced students over the age of twenty. He was attacked by Jews from all over the world. "THE **JEWISH CHRONICLE",** London, December 1, 1921, said, "...it is practically impossible to teach the New Testament from anything but a Christian standpoint as the Gospels are the message of Christianity. We should educate young Jews with Jewish literature, not profane literature which will be harmful and is literally designed for the propagation of a doctrine which is fundamentally subversive to Judaism." In other words, they are afraid for Jewish youth to hear the ***truth*** of the gospel message.

So you see, no matter what Jewish religious leaders say to the contrary, concerning their

desire to cooperate with Christians they still hate Christians, as much as when they killed our leader almost 2,000 years ago. There can be no such thing as Judeo-Christianity, no matter. how much our religious leaders love to use the term, for Judaism and Christianity are poles apart, headed in opposite directions, and do not even worship the same God. (Billy Graham to the contrary.) How can you believe Christianity came from a religion whose leaders were called **children of Satan**, by our Lord, **Matthew 8:44,** Who are you going to believe, some ***brainwashed, or sold out preacher*** who calls them God Chosen, our your Savior who said, "Ye (Jews) believe Me not, because ye are ***not of my sheep,"*** **John 10:26.**

33.) The Jews claim to have suffered greater persecution than any other people in history, because of their religious belief, this is their claim. Contrary to the preaching of Judeophile preachers like Jack Van Impe, and Pat Robertson, they were not persecuted because they were God's people and Satan's hated. They were kicked out of every nation in Europe at some time or other, because of their ***rotten business practices, and their immoral filth.*** Referring again to **1 Thessalonians 2:15 "...** they (Jews) please not God, and are contrary to all men."

Jews appear honored and take delight in proclaiming themselves to be objects of world insults, contempt, and detestation. Hatred of all who are not Jews is their principle of life; money making is their standard of morality, no matter what it takes to get it; the acquisition of wealth and the power that goes with it, this is their goal for existence; gold is their God and their compensation for social degradation, and a vulgar display, their reward for spiritual hardness. As Jesus said to the Pharisees who preened themselves on the street corners to be seen of men: "Ye have your reward!" **Matthew 6:2,5,16**

The only barrier that stands in their way of world control is their fear of detection. This is why they react so harshly against those of us who try and bring our people the ***truth.***

While many Christians wonder why German Christians in OneWorld War Germany detested the Jews, and while their minds are perverted by Jewish propaganda coming from their own pulpits regarding such things as the Holocaust, they refuse to look at the facts of Jewish actions in pre-war Germany, that brought them into such contempt. They will understand much better, if World Zionism is ever successful in bringing America, into their One World Government and the International Zionist Slave Plantation. Then it will be too late!

In November 1918, following World War I, the German Government came under control of socialists, organized and largely dominated by Jewish revolutionaries. When a Republic was proclaimed in July 1919, they proposed an orgy of fantastic schemes for ***social Improvements,*** and redistribution of the wealth (of German White Christians), under Jewish control. One of the most insane of these Jewish schemes was the debasement of the German currency, so that by September 1923, the exchange rate had soared to 160 million German marks for one U.S. dollar.

With this devaluation came a terrible depression, worse than anything ever seen in this country and which reduced many Christian Germans to the point of starvation, while most Jews lived high on the hog. During this time of trouble, many family heirlooms were

sold for a fraction of their value in order to buy a sack of potatoes, or a loaf of bread. It just happened there were Jews on hand who bought up these treasures. Germany's civil life stood on the precipice of anarchy, fear, and lawlessness. It was into this state, brought about by Jewish actions in high government places, that Adolf Hitler stepped. (He was actually brought into power by Zionist money, and was sustained during the first two years of the war by this group, who pitted both sides against each other.) Hitler is hated by International Jewish leaders, not because he exterminated some of their lesser brethren, but because he was the only leader in Europe who opposed Jewish Communism.

34.) It is of further interest to note that the decadence of England began on the date when she bestowed her highest political office on the Jew Disraeli, making him Prime Minister during Queen Victoria's reign. Although he was regarded as a renegade to the Jewish religion and people, he furthered Zionist ambitions.

In 1868, for all intents and purposes Britain ***ruled the waves;*** she stood at the zenith of her power, without a political or military rival in every department of human endeavor. These were the days when the ***sun never set on the British Empire.*** She had indeed risen to the pinnacle of prophesy, to become the great nation and a company of nations, promised to ***true Israel.***

Where is her Empire and power today? Why do her people grovel at the feet of a financial dictatorship headed by International Jews? What a pathetic and degrading spectacle she has become from a mighty people who brought forth men such as Drake, Nelson, Marlborough, and Wellington.

35.) What about our own United States of America, and her sister country of Canada? Why is it that in a Christian nation, so called and designated by the Supreme Court, our advisors in every phase of government are faithfully represented by names such as: Baruch, Kahn, Strauss, Breziznski, Morgenthau, Goldenweiser, Margold, Bachnach, Frankfurter, Worlfsohn, Cohen, Lowenthal, Lehman, Rosenblatt, Warburgh, Rosenmann, and the ever present Henry Kissinger?

Many of these Jews are and have been open advocates of Communism, Socialism, and the Zionist New World Order. Many like Kissinger, would have been tried, convicted and hung for treason at an earlier time in our nation's history. Now they are revered by the Democratic Party, and many Republicans.

The government officials of the United States have been reduced in many instances to servile degradation by these infamous, gold and power hunting aliens.

Like the ugly Lenin, Trotsky, and Beria of the Soviet Union, where 3% of the population (Jews), kept the other 97% in servitude to their desires, so in the United States, at least since 1913, their patriotism has been measured by the yardstick of money and power. They are cowards in war and ***traitors*** in peace! Our flag, once the proud emblem of a strong nation, means nothing to them, since they have no permanent loyalty for anything except gold and possibly the occult symbol on the flag of the Israelis. History has proven, over and over again, that Jews are every ready to sacrifice the blood of patriots to racial miscegenation, if it furthers their purpose. This is their tribal instinct at work! Their hatred of everything good and everything which stands in their way, is undying and merciless, as

shown by their silence economic war waged against Spain, a nation which had given them refuge; and again against Germany, where they had been treated with respect. Always in the annals of history, Jews have been known for biting the hand which fed and nourished them!

The Jew tolerates no opposition of any kind, whether in business or in politics. In accord with the unscrupulous methods taught in their Talmud, much of their religious life is taken up, not in preparing there people to meet God, or in helping their fellowman, but in acquiring a monopoly over everything which will give them power. From the smallest retail store, to the greatest department stores in the nation, the Jewish idea of ***the gelts the thing,*** is paramount.

They have taken charge of America's Labor Unions, and once proud American laborers have had their ideals as makers, doing a task of which they were proud, changed into getters, who are interested in "getting by with the least amount of work possible," while putting out an often shoddy product.

The Jew dominates the legal profession where unlimited possibilities are available for graft, greed, and the exercise of their ungodly talents against unsuspecting Christians.

In medicine, they run the **abortion clinics** which yearly murder over 2 million unborn babies, while their propaganda mills, convince foolish Gentile women that it is all right to murder their unborn child, if it ~& unwanted or a burden. They control the drug industry which yearly filches billions of dollars from American pockets, often for drugs which do no good, or are actually harmful, while suppressing those which could help.

All these things, and more, are carefully set up in the "**PROTOCOLS OF THE LEANED ELDERS OF ZION.**" While these may not be authentic, as the Jews and their Christian stooges aver, it is interesting to note how World Zionism has been following them like a ***blueprint*** for a 100 years. They are a perfect expression of an organized political, religious, and financial machine set up for Jewish World control!

It has been Jewish influence and control of the media, which has reduced this proud Republic into the shambles of a Democracy, which today stands on the verge of the anarchy of socialism.

In 332 B.C. the Greek philosopher Aristotle rightly defined a ***democracy,*** as "a depraved, combination of low birth, ignorance, mass supremacy, and arithmetical equality." Aristophenes, in 380 B.C. described the democratic leaders of Athens as, ***sausage dealers, unqualified demagogues, and unmitigated scoundrels.*** Could this be what Jewish influence in America has done to our Congress?

With few exceptions, our Congressional leaders care more about their position and prestige, than they do their duty to their country. It is proven by their actions.

Have you ever wondered why with a relatively low annual salary, a man of moderate means can be elected to Congress and after two or three terms they have a summer home at Martha's Vineyard, drive two Mercedes and have become multimillionaires? Is it because of their business acumen, which they never revealed before, or because they have become lackeys of the ***master of gold?***

The arch enemies of true Americanism are socialism, which seeks to overthrown governments by deceptions; Zionist controlled Communism, which seeks to overthrow by force; Pacifism which seeks to overthrow by cowardice; Labor Unionism which seeks control of labor, and Judaism which seeks control by any means, including all of the above, as long as it benefits Judaism and their long range plans for world control.

In the United States, much of our population has ***bent over backwards*** to apply application of Christian principles to our problems, until Jewish interference in our education and religious systems began to change our outlook from one of absolutes concerning ***good and bad,*** to the Jewish idea of ***shades of gray,*** sometimes known as ***situation ethics,*** where the answer to a ***moral problem*** lies not in what is right or wrong, but in the situation that caused it. This has permeated even the Christian church world along with the teaching of the evolutionary theory, that man is after all nothing but a ***graduate animal,*** who under pressure will always act like a beast. In their textbook on "**PSYCHOPOLITICS",** page 41 - "In order to be conquered a nation must be degraded, either by acts of war, by being overrun, by forced into humiliating treaties of peace, or by the treatment of the populace under the armies of the conqueror... By attacking the character and morals of man himself and by bringing about through contamination of youth, a general degraded feeling in a nation, command of the population is facilitated to marked degree... Nations with a high ethical tone are difficult to conquer, their loyalties are hard to shake... what they call their spiritual integrity cannot be violated by duress (force). It is not efficient to attack a nation in such a frame of mind. So it is the basic purpose of Psychopolitic to reduce that state of mind to the point where it can be ordered and thus controlled. Thus the first target must be man himself. He must think of himself as an animal, capable only of animalistic reactions. He must no longer think of himself, or his fellows as capable of spiritual endurance, or nobility."

The Christian world has become cursed with too much ***faith, hope and charity;*** too much ***love, mercy, and kindness;*** to much ***mushy sentimentality and toleration,*** to where Christian THIS America has dropped her spiritual standards and compromised with evil and evil men in order to gain. a measure. of security. When the Oklahoma City tragedy took place a few years ago, President Clinton told the nation, "the time has come when we must be willing to give up some of our freedoms in the cause of security." Yet the pages of history are full of examples proving that compromise with evil, for any reason, always leads to disaster.

The three steps to compromise can be found in **Psalm 1:1** "Blessed is the man that (1) ***walketh not*** in the counsel of the ungodly, nor (2) ***standeth*** in the way of sinners, nor (3) ***sitteth*** in the seat of the scornful." First one begins the downward road to destruction by ***sitting with evil men,*** from there it is an easy step to ***holding dialogue*** with them, and from there logically sitting down with them as they plan your destruction. Christians of all people should understand this, yet they seem the easiest at times to fool!

There has been no force more clever than Judaism, in using this formula for the compromise and subversion of the Christian faith, until today much of Christianity has become a study in ***compromise,*** in getting along with the enemy, rather than make ***waves.***

Ben Freedman recognized this and on page 6 of his book "**FACTS ARE FACTS",** he said,

"When the day arrives that Christians can no longer profess their Christian faith as they profess it today in the Free World, the Christian faith will have seen the beginning of it's last days. What already applies to over 50% of the world's population can shortly equally apply to 100% of the world's population. It is highly conceivable, judging from present trends. The malignant character of this malady (Judaism) is as progressive as cancer. It will surely prove fatal also unless steps are taken now to reverse its course. (This statement was made in October of 1954, and International Zionism has made tremendous progress since then.)

If you refuse to accept his evaluation, then ask yourself why many fine Christians will usually without question, support Judaism, when all they need to do is read their Bible to see how Jesus condemned it, and when from Jewish statements made openly, they know of Jewish desires to destroy ***White Christian civilization?*** It seems incredible to me! Yet it is standard teaching in a majority of denominational churches, that modern Jews are indeed the ***Chosen People of the Book,*** and they have milked billions of dollars from Christian coffers and into the pockets of those who hate their King.

36.) There is probably no better example of how Jewry works, than in the life of infamous Russian leader, L.D. Trotsky (whose real name was Leo Bronstein).

It seems incredible that the son of a greedy Jewish landlord, known for his exploitation of his neighbors and his hired help, should ever become the world's foremost radical leader and trouble maker. It is even more incredible, when one considers that he was able to concentrate international attention on himself, after he had clearly demonstrated his disregard for all human rights and every principle of justice and decency. What is more, this Jewish devil in human form, succeeded in winning the sympathy of millions of Liberals, who today look on him as a ***martyred saint.***

While this Jewish apostate of Communism lived in Mexico, according to his own claims, he lived in a luxurious villa, and had the use of a sumptuous railway car, furnished by the Mexican government, which took him wherever he wanted to travel.

It soon became apparent that the Jewish radicals who prattle about their love for the poor and downtrodden, see nothing wrong with spending huge sums of money for their own personal gratification.

B. Stalberg, an American Jewish writer, felt urged to tell the public. He said, "The reasons for his (Trotsky's) career lie in his personality, in his many sided genius, as a historian, an indomitable revolutionary, and a man of action."

Some people, especially Trotsky's fellow Jews, found these traits inspiring. Intellectuals who wanted to ***save the world,*** saw Trotsky as a ***latter day Messiah.***

The average, decent person who takes the time to look at this Jew as he really was, and as he pictured himself in 'his writings, would have second thoughts.

He was probably one of the most brazen political criminals of all time. He epitomized all the traits of Talmudic Judaism.

One of his earliest exploits was to infiltrate Russian Protestant religious Circles which at the time were being persecuted by the Russian Orthodox Church, and spread seeds of discontent. He succeeded in perverting the meetings of sincere Russian Christians, who were mostly simple unlearned peasants and laborers, bringing them into the revolutionary movement.

When he was apprehended by the Czarist police and exiled to Siberia, he escaped with the help of his wife, who was a Jewess. Later he married another Jewess, Sedova Rosenfeld, a revolutionary he met. in Paris.

In the later 1800's, Trotsky was financed by a wealthy Jew, a Dr. Herzenstein. It ***was*** about this time that the infamous documents called "**THE PROTOCOLS OF THE LEARNED ELDERS OF ZION**" came to light, bringing consternation to the Jewish world. While every effort was made to suppress these as a forgery, and this is supported by most of the Fundamental Christian world, there are many other essays, books, and reports from this same period, many coming from Jewish sources, which pointed to a clique of Jewish megalomaniacs (those who have a feeling of omnipotence), who religiously believe they are destined to rule the world, and imposed their desires on all mankind. (Of course this is one of the central teachings of the Babylonian Talmud.) This Jewish clique, centered in the Zionist Movement possesses and controls the bulk of the world's wealth, and through this they control democratic government everywhere.

This secret band of super-criminals, finance and start wars and commit innumerable atrocities on a vast scale against anyone, as long as it furthers their ambitions to control.

In all fairness, I believe it should be pointed out, that the ***little Jew,*** the one you and I are most apt to rub shoulders with, knows little if anything about these schemes, even though its principles are regularly taught in the Synagogue.

At this time (1905), London was the money center of the world, and as a result the center of world Jewry. (Today it has been moved to New York City.)

There was an inborn antagonism for the Jews among the Russian people, due to their exploitation of the peasants. Whether this dated back to the Khazar conquests of large portions of Russia in the 8th Century A.D. I do not know.

At this time, the Khazar Empire, which was a heathen people, converted to Judaism en masse, and it became their State religion. The deeply religious Russians, have always looked on the Jews as the murderer of Christ. So the forces of International Jewry had a double purpose in Russia - the destruction of the ruling classes and the complete elimination of Christianity.

Trotsky surrounded himself with a mob of boot lickers, criminals, and inculcated in them his Jewish hatred. By this he was able to maintain a constant slaughter of Christians and never ending epoch of terror.

By 1917, Trotsky had become editor of the Jewish Daily "**NOVY MIR**" in New York City, and when the Russian-Revolution broke out in 1917, there was ample evidence pointing to the fact that the ruin of Imperial Russia, had been the goal of Jewish groups such as the Zionists, B'nai B'rith, Alliance Israelit Universelle, and other Jewish movements.

A Jewish International banker, Jacob Schiff of Wall Street, who was closely allied with other powerful International Jews, such as the Warburgs of New York, and Hamburgh, Guggenheim, Kahn, and others. It was this same group, headed by Jacob Schiff who as head of Kuhn, Loeb, and Company, had floated Japanese war bonds in 1905-06, which brought about the Russian defeat in the Sino-Japanese War. This laid the foundation for the Jewish Bolshevik Revolution of 1917.

When Jewish efforts dethroned Czar Nicholas II in 1917, Jacob Schiff and those allied with him in the German Jewish Westphalia-Rhineland Syndicate; the Lazare Brothers of Paris; the Ginsbergs of Petrograd, Paris, and Tokyo; Spencer and Company of London, New York, and Frankfort, and the Nya Bankers of Stockholm were ready for the Revolution the Jews had worked so long to bring about.

It would take volumes of books to reprint the documentary evidence that it was International Jewry that wrecked Imperial Russia, in a deliberate attempt to bring about world rule by Communism, and ultimately Zionism. For decades their motto has been: "First we will conquer Europe, then Africa and Asia, and when the United States and Canada are surrounded, with no allies, they will fall into our hands without firing a shot." They are close to a successful accomplishment of their Age old plan now.

International Zionism chose the unscrupulous Trotsky, then in exile in Mexico, to carry out their wishes in regard to controlling Russia. At the turn of the Twentieth Century, Russia and Germany were the two strongest Christian nations on the European continent, and were earmarked for slaughter.

In April 1917, Jacob Schiff made a public statement to the effect that it was his financial help (a contribution of 20 million dollars in gold) which made the Russian Revolution a success. His claim was interesting enough to be supported by "**THE JEWISH AMERICAN REGISTER",** of 1917-18, pages 1018,1019, which stated: "Mr. Schiff has always used his wealth and influence in the best interests of his people (Jews). He financed the enemies of autocratic Russia and used his influence to keep Russia from the money market of the United States."

In March 1917, Trotsky arrived in Russia, coming from the United States with the Schiff gold and over 240 Jews which had been recruited from the ***riff-raft*** radical Jews of New York's east side who had joined the Bolshevist Party in the United States and were primed with revolutionary ideals. They stopped in Newfoundland by Canadian Custom Inspectors, and released on pressure from the American State Department, which even then was under Jewish control. On arriving in Germany, they were placed in a sealed boxcar, under Germany Government protection and sent on to Moscow.

The New Bolshevist Government which was established, according to Robert Wilton, a Russian correspondent of the "**LONDON TIMES",** was made up of 552 important functionaries. He wrote: "...there was 17 Russians, 2 Ukranians, 11 Armenians, 35 Lets, 15 Germans, 1 Hungarian, 10 Georgians, 3 Finns, 1 Karain and 457 Jews."

When World War II ended in 1945, the head of every Communist State behind the Iron Curtain was a Jew, and most important functionaries in these countries were Jews. They are responsible for the murder of at least 140 million people since 1917, many of them

Christians. (This substantiates Jesus' accusation against then in **Matthew 23:35.)** These statements are history and are not open to question. They far outnumber the questionable figure of 6 million Jews who died in the so called Holocaust of WW II, yet it is the Jewish figure which keeps being forced down our throats by the media, who say very little if anything about the much larger number of Christians murdered by Jews.

The authoritative Jewish viewpoint towards the Soviet Union is explained in the "THE UNIVERSAL **JEWISH ENCYCLOPEDIA**" where it states in concluding remarks on Karl Marx: "the one country which professes official allegiance to Marxist teachings is the one where anti-Semitism had been outlawed." (Volume VIII, page 390) In his book "**THE JEWISH PEOPLE FACE THE POSTWAR WORLD", by**

Alexander Bittleman, the affection of a large number of American Jews is expressed in these words: "If not for the Red Army, there would be no Jews in Europe today, nor in Palestine, nor in Africa, and in the United States, the length of our existence would be counted in days. ***The Soviet Union saved the Jewish People!"***

Bittleman admitted indirectly, that he was not speaking for all Jews. It is interesting to note, that according to the "**AMERICAN ZIONIST** HANDBOOK", 68-70% of American Jews have relatives living in the Soviet Union. This very probably means they are of Khazar descent (Ashkenazi Jews), and therefore have no Abrahamic blood in their veins, and no official claim to Palestine. Every Israeli Prime Minister. has come from this heathen background.

In recent months, a great propaganda campaign has been underway in America, trying to convince American Christians, that Jews in Russia are today under intense persecution and danger. I recently received a letter from a Protestant TV pastor, Dr. James Kennedy, asking for funds to transport Jews from Russia, either to Palestine, or to the ***Promised Laud*** of America. Yet recent intelligence information (1985) indicated that of 23 Politburo members (ruling government in Russia), 17 were Jews. Today 90% of the Russian Ambassadors are Jews; nine out of ten of their highest military and police leaders are Jews, as are the top men in their intelligence apparatus, the K.G.B. Other top members such as the Director of Foreign Operations and the Finance Minister are Jews.

37.) The Jewish claim that: "Wars are the Jews Harvests," made by a Rabbi Reichorn, at the funeral of another Rabbi in Prague in 1868, can be substantiated by much documented evidence. As early as 1937, our government, in the face of violent opposition by the American people, had already determined to get us involved in the European war against Germany. While President Roosevelt was giving his famous ***fireside chats,*** in which he promised Americans: "I hate wahl and will nevah send American boys to fight on fawn soil. Nevah! Nevah! Nevah!" He was already working with Winston Churchill of Britain to bring us into the war. He was backed by his chief Jewish adyisors. There is little doubt that F.D.R. got us involved to gratify his vanity over his third term election and to please his Zionist mentors. These facts are carefully documented in the book "**FIFTY BILLION DOLLARS",** written by Jesse H. Jones, former Secretary of Commerce and published by Macmillan Company in 1951.

Regardless of F.D.R.'s denials, and he was not the first or last American President to lie to

the American people, he was eager to get us involved in World War II and make him the first third term President in our history. Some of you may remember the Democrats ***war cry*** of this period: "We can't change the horses in the middle of the stream!"

The powerful Zionist controlled elements in the Democratic Party, regarded with composure, and even some enthusiasm, the killing of as many Christians in Europe as possible, and the elimination of what they called the hated Aryan race. This hatred of all things German and White, did not come because of Adolf Hitler, but because Germany was the only Christian nation on the Continent at this time which stood up against International Jewry and attempted to stop it's march towards One World conquest.

In 1942, when American General George Patton, and British Field Marshal Montgomery, came up with a plan to attack Germany through the soft under belly of Europe, it was vetoed by F.D.R., Churchill, Eisenhower, and of course Stalin. Instead they held out for the Normandy invasion month's later, which gave Stalin the opportunity to consolidate his hold on Eastern Europe. It also cost millions more in lives, and countless billions of dollars, most of it coming from America.

When I mentioned ***Aryans,*** I am referring to the racial stock, that made up most of original America, I prefer Adamic - English, Irish, Scotch, Welsh, German, Dutch, Scandinavian, Latinos, Slavs, and those of like descent.

The Zionist power bloc in our Congress, demanded the Unconditional surrender of Germany as World War II came to a shuddering close, and the implementation of the infamous Morgenthau Plan, (drawn up and supported by Jews). This actually stiffened German resistance and lengthened the war, adding to the slaughter, to International Jewish delight.

The American soldier of World War II was taught to kill the enemy! rather than fight for a cause. This is a Talmudic teaching through and through. It also cost the blood of thousands of Americans, Englishmen, Frenchmen, Italians, Scandinavians, and Germans, in a ***fratricidal war*** against our kind, for alien benefit. Many times as I look back on the statement by my hero General George Patton, I remember how he said, "I have come to the conclusion that we fought on the wrong side in this war!" I am inclined to believe him, as it unleashed Zionist/Communism on the world and cost millions of lives and billions in national wealth. Only one people benefited from it. The International Jewish bankers who were responsible for it in the first place.

It is interesting to note how the Talmudic philosophy of killing the ***goyim,*** was practiced by the allies against the undefended Christian City of Dresden, Germany, and against Hiroshima and Nagasaki in Japan.

Jewish hostility towards the German people has been boiling up for centuries, and this racial strain today which makes up 25% of our population. The Jews still hate us with the special virulent hatred which can only be found in the Talmud.

If you refuse to believe this, take time to read some contemporary Jewish literature and see contemporary Jewish produced movies. The White Adamite, is always portrayed as the aggressor, while the poor Jew and colored, is the victim. Nothing is ever said about the overwhelming ratio of deaths on the White side. This falsehood is even carried over into

many Christian churches.

The German people in particular are always pictured as the ***Bad, goose stepping, booted Nazi bullies.*** Can you imagine the screams of Jewish anguish, which would come if a Christian source would produce a true movie, showing Jewish atrocities against Christians?

When Roosevelt took America into World War II, he set himself up, not against the enemy of our nation, for Nazi Germany posed no more a threat against the Christian West, than Saddam Hussein posed in the Desert Storm action. He set himself and America's might against a Christian nation of our kinfolks, who next to the English had provided most of the bloodstream that made America great. He set us up as the allies of the anti-Christ's who hated our God, and who threatened to ***drive God from the skies, while they destroyed white Christian civilization,*** which had given us our freedom. So thorough was the enemy ***psychopolitical*** attack against us, that even our church leaders cooperated in this ungodly action. The sad thing is, that even now, when they know we were wrong, they insist on helping the ungodly. Our Christian leaders need to take a hard second look at 2 **Chronicles 19:2 "...**Shouldest thou help the ungodly, and love them that hate the Lord? therefore is wrath upon thee from before the Lord." Then to compound our sin, we recognized the anti-Christ State of Israel in Palestine in 1948, and we have been on the downward spiral ever since. Jerry Falwell one of the so called Christian leaders involved in this surrender to evil and a leading Judeophile, has stated that God has blessed America, because we showed kindness to the anti-Christ's of Judaism. (Quoting **Genesis 12:3** loudly and long. Never telling his people that Abraham was not a Jew, and was never connected to the aliens who now pose as His Chosen people.) Any close and honest look at contemporary American history since 1948, will belie this false statement.

The reason World War II was fought was not only to fatten the purses of the International Jewish arms merchants, who supported both sides of the conflict, but was for the purpose of annihilating Germany, which was the historic bulwark of European Christianity. Germany had to go, to make way for the Zionist New World Order. To be successful, they knew that Germany must be destroyed in Europe, and Canada and the United States in the New World. They had already destroyed the great Russian Christian Empire and we are next on their agenda according to many public statements and books written on the subject. Already America is an occupied country, under Zionist control, and only the Christian Patriot, who is willing to fight for his God and his freedoms stand between them and success. Already these are being harassed by an evil government, and are represented to the nominal Christian world, as ***hatemongers,*** and a threat to their security.

Already the Judeo-Christian world is being ***brainwashed*** to fulfill Christ's prophecy in **John 16:2 -** "...the time cometh, that whosoever killeth you will think that he doeth God service."

It was the implementation of the Morgenthau Plan that implemented wide spread violence and looting, and brought Germany to the verge of starvation. There is much evidence to collaborate this. At the end of World War II, Germans were forced to furnish displaced persons with food at the rate of 2000 calories a day, while the German population scarcely subsisted on 900/1100 calories.

Why were our German kinsmen treated with such inhumanity, while the enemy in Japan, who had treated our prisoners with inhuman brutality, were accorded preferential treatment?

Was it because as President Roosevelt said one day in jest: "A little dove flew into the Presidental window and warned me against being too lenient with the Germans." That little dove, was no doubt the Jew Morgenthau's personal representative in the European theater of Operations, who was intent on bringing Talmudic justice against a Christian nation.

All the facts coming from World War II, show that it was not ***fought to make the world safe for democracy,*** as we were told, or to protect our nation from a Nazi invasion. It was fought to further Zionist/Communist plans for World Conquest, while weakening the power of the Christian world to stand against them. It is sad to see the large number of Christian leaders in America, who have become ***traitors*** and completely disregard the warning given in 2 **John 10,11** - "If there come any unto you, who bring not this doctrine (that Jesus is the Son of God), receive him not into your house, neither bid him God speed (help him in anyway): For he that biddeth him God speed is partaker of his evil deeds." To me this means that if you help the anti-Christs of Judaism in any way, then God will hold you accountable for the millions of unborn babies murdered in Jew owned, Jew runned abortion clinics; He will hold you accountable for the youth who have been set on the road to hell by Jewish supplied drugs, pornography, prostitution, and the Satanic influence of Rock and Roll, all promoted by Jews. Think seriously about this. It will be too late when you face Him one day.

38.) Since World War II, Zionist power has kept the American people in the dark regarding their nefarious purposes. In 1950, a well known war correspondent publicly stated in Dallas: "Zionist propaganda is whitewashing the State Department... - the free American mind has been sacrificed we can't resist because we don't have the facts to go on." You won't get the ***truth,*** by listening to Peter Jennings, or "60 Minutes" on TV, for they are ***in the Zionists pockets.*** It would mean their job if they were to tell us the ***truth.***

This censorship and propaganda has been carried over into the church, where most of our so called Christian people, have been ***brainwashed,*** into believing the lies of the enemy, that our worst enemies are God's people, when our Savior exposed this falsehood. Yet fallible men and women, prefer to believe their sold out pastor, rather than the Son of God. How can you deal with people in this frame of rebellion?

Today in America, the anti-Christ's have been elevated as heroes who must be protected at all costs, while the ***true Christian Patriot*** is spat upon and degraded!

A few years ago, when I attempted to expose the truth regarding Jewry in the Ft. Collins, Colorado area, I was attacked, not so much by local Jews, as by members of the Ministerial Alliance. When I invited them to attend a breakfast in which we would discuss our differences, not one of them responded. It became quite evident that they did not want to learn the ***truth,*** if it was contrary to what they had been taught in their church. This brings to mind Jesus' words to the Pharisees in **Matthew 15:3,9,** when He said to them, "Why do ye also transgress the commandment of God by your tradition?... But in vain they do

worship me, (God) teaching for doctrines the commandments of men." Religionists haven't changed all that much in the last 2000 years.

A Unitarian pastor in Ft. Collins said, "From a historical point view, Mohr's ideas are rubbish. A variety of charges leveled against the Jews have been used as a tool to exploit the ghetto."

A Lutheran pastor said: "There is no question that there is a continuous line of descent from Old Testament times to the present in Jewish history," yet even the Jewish leaders admit the falsity of this teaching, as they acknowledge that at least 90% of those who call themselves Jews today, are of Ashkenazi background, which means no blood relationship to Abraham.

The President of the Evangelical Ministerial Fellowship stated: "Mohr's theory of the ten lost tribes being Israel is a perversion that has caused me grief."

The Ft. Collins area Interfaith Council, a coalition of 28 religious bodies, approved a formal response to my message which said: "We are united in rejecting all forms of racism and anti-Semitism, and deplore the acceptance of these in the name of religion."

Another formal statement by the Presbyterian Church said: "Mohr's message did a grave disservice to the Gospel." Yet these religious leaders apparently are not concerned that their false teaching, going against what their Savior said, is harming the church.

What was the message that I preached at La Porte? It was a statement of proven facts, without name calling or rancor, regardich *destroy white Christian civilization,* and a plea to our people to counteract this through ***obedience*** to God! These Christian leaders in their effort to protect the anti-Christ's of Judaism, were willing to go against the teachings of their Savior. Sadly, and frighteningly strange isn't it?

The pastor of the La Porte Church of Christ, Pastor Peter Peters, who sponsored me said, "If you read the New Testament Scriptures objectively, you will find that the Jews were outraged nearly 2000 years ago, when the ***truth*** of God's Word was proclaimed. Jesus outraged them and they murdered Him, because they refused to accept the ***truth.*** Stephen outraged them for the same reason and they stoned him to death; the Apostle Paul outraged them by saying that "they pleased not God, and were contrary to all men," and finally had him executed. He went on, with a bit of justifiable bitterness to say, "I wonder if Jesus doesn't think shamefully of Christians. who never heard Mohr speak, yet judge him so harshly and condemn him on hearsay evidence. Mohr fought and suffered for this country, and he loves his Savior and God's people. I wonder if my church and I would be getting this harassment, if the guest speaker had been for gun control, and had been espousing homosexuality as an alternate life style. Could it be that the Inter-Faith Ministerial Alliance would have covered the expenses for such a speaker?"

39.) Many American Jews believe that Zionism was created by Theodore Hertz, in the 19th Century. He was the father of ***modern Zionism.*** He brought to the surface, a Jewish Movement which had been underground and kept secret since at least the 1st Century A.D., but which goes back possibly as far as 590 B.C. when the Jewish people first formed in Babylon, under their false religion of Judaism. It was here that the "**BABYLONIAN TALMUD**" was begun, which was finished a thousand years later at the Jewish Seminary

in Alexandria, Egypt.

The dream of Zionism is based on a particular interpretation of the Old Testament. Most Jews, and many Christians believe that God gave the land of Palestine and much of the land now owned by the Arab nations to Abraham and his fleshly descendants. This is a religious belief. The Jews are careful not to point out that the vast majority of so called Jews today, possibly 90%, have no blood connection whatsoever with the seed of Abraham, and Jacob, Moses, etc., were not Jews. There was no people known as Israelites until the time of Abraham's grandson Jacob, whose name was changed by God from Jacob to Israel.

There were no people anywhere on earth named Jews, until 1200 years after the time of Abraham, when they first showed up in Scripture in 2 **Kings 16:6,** fighting against Israel.

In all probability the word JEW was not used in the English language before 1700, as it did not appear in any of Shakespeare writings (1564-1616 AD.), or in the first English dictionary, or in the 1611 King James Version of the Bible. The word used there was JUDEAN, which means "an inhabitant of Judea", and does not have the religious meaning given to it today.

Most Judeo-Christian preachers will tell you that the modern Jew has a rightful inheritance to real estate in the land of Palestine, because God gave it to Abraham. This doesn't hold water when one considers that very few of the modern Jews have any connection to Abraham.

It is this false belief which has been used to create Christian support for the anti-Christ's of Zionism, and aid them in their plan of World Conquest. It has been responsible for most of the blood shed on earth in the 20th Century.

If the Middle East situation deteriorates into World War III, we can honestly say it was caused by Christians who carelessly handled God's Word.

Wars are for the most part caused by two things. The real explanation and the phony one which sounds plausible and acceptable, even when it's false. It was on this false pretext that we were ***suckered into*** World War I and II. We were told that these were wars to end all wars, and make the world safe for democracy, when in reality they were wars planned by the International shakers and movers, to gain the world's wealth and with it the power to control nations and people. The end result being their One World Government.

These International conceived ideas appealed to Christian Americans in particular, who were sick of war, and received the support of many of them, Many of the cream of American manhood died, or were maimed, because we allowed ourselves to be tricked into war by the pressure from the internationalists.

This was not why these wars were fought. Neither World War I or II were fought for American interests or to protect our American sovereignty. They were used foremost to bring into being the counterfeit ***bastard*** state of Israel in Palestine. Our preachers and politicians say they are our only allies in this area, when we know they have stabbed us in the back many times, while siphoning off our national wealth, and selling our military secrets to our enemies. ***With friends such as the Israeli, who needs*** an ***enemy?*** The real

reasons for war are seldom given by our leaders, since the masses of the people who are called upon to fight and support the war effort, would rebel if they knew the real reason. I sincerely doubt that if I had known Roosevelt's real reason for getting us involved in World War II, that I would have gone to the Recruiting Office, soon after Pearl Harbor, with my heart full of Patriotic fervor, thinking I would be fighting to save America, when it was actually to further the aims of the Internationalists.

Few Americans realized that the war in Vietnam was not fought over Communism, but over tin. South Vietnam was rich in tin, Red China wanted it, but so did a very powerful clique of International Jewish businessmen. You can guess who won out. Many of out top military leaders in Vietnam resigned in disgust when they found out that American troops were there, not to stop the spread of Communism, but to guard the tin mines until such a time as they had been stripped of their ore.

During those trying days, we heard much about the immorality of the war, and it was an immoral war. Not because we fought Communism, not because we fought to defend an ally, but because we allowed our boys to fight and die in a war our leaders never intended to win while the International Jewish power men who pulled the strings of government, got rich on the loot they were stripping from South Vietnamese mines, and the armament they sold to our Communist enemies in Russia and China, that killed Americans in South Vietnam.

We let South Vietnam go, because our government never had any intentions of winning in the first place, and it was only a holding action, until the Internationalists got what they wanted.

Likewise, the so called ***Korean Police Action*** fought 1950-53 was not to save South Korea from a Communist invasion, but to protect some of the richest gold deposits in the world, which Internationalists needed for their plans.

At this time the politicians in Washington publicized the ***Domino Theory,*** telling the American people that we must fight the Communists to keep all Southeast Asia from falling into their grasp. When that was not the real reason for fighting. We need to remember, that the "Talmud" teaches these men to be ***absolutely amoral.*** There is no law but their own; they answer to no god, but their greed for gold and power. To them, ***the end justifies the means,*** even if it means millions must die as a result. It's hard for the average decent person, even the non-Christian to understand this. I believe we have such a man at the helm of America now in the person of President Bill Clinton. In spite of his professions of faith in God. I believe he was so well trained in Talmudic principles as a Rhodes scholar, that he would deliberately destroy America if he doesn't get what he wants. Not judging, but ***by their fruits shall ye know them.***

Go back in history for the last 100 years and you will find that every war we have fought has been for the false principles of International Zionism. The Civil War was not to free the slaves, or even over the issue of slavery, but over the matter of ***states rights.*** The Spanish/American War, World War I and II, Korea, Vietnam - none of these were fought for the well being or safety of America.

The present trouble in the Middle East, which could easily escalate into World War III is

being fought for the benefit of "those who say they are Jews, and are not, but do lie, and are of the Synagogue of Satan." **(Revelations 3:9)** We are not spending millions of American dollars each month to bomb Iraq because they pose a threat to us, but to the Israeli, who come first in our government calculations. The misery and deaths of millions of innocent Iraqi men, women, and especially children, means nothing to them, as long as their enemy is held in check.

When history books give you a reason for war, it is usually couched in terms favorable to the winner. Justice and truth is seldom given to the loser's cause. If you study modern college history books, you will know why. You would not recognize them when comparing them with those written 75 years ago. A good example is a high school history book I saw in a New Jersey High school following the Korean War. I was scheduled to speak to a large history class on the reasons we fought in Korea. While waiting for the teacher to escort me to the classroom, I picked up a copy of a High School history book, and being a Revolutionary War buff, I turned to that part. Imagine my surprise and disgust to read, "many things you have read about this war are not true. It has been proven for instance, that Paul Revere did not ride the night the British attacked Concord and Lexington, to warn the people, since he was drunk in bed with a prostitute in Boston that night." No proof, just this statement!

This is why I have written this book, and gone to such lengths to document it. First, I want you to think for yourself, second, I want you to find out what God's Word says about the state of current affairs, thirdly, I want you to take a stand as Christian men and women to stop this evil which is engulfing us. Only by doing this, and ***obedience*** to God, will we remain free!

Today the Judaism known in the Old Testament is as dead as the proverbial ***dodo bird.*** It can never be revived. The religion known as Judaism, is as I have shown an alien, occult, heathen religion of violence, hatred and treachery against all mankind who are not of their clan, with special virulence towards Christians whom they hate above all others.

There may be some superficial similarities between modern Judaism and what Moses taught. Modern Jews do not follow the teachings of Moses, as we Christians have been led to believe. Jesus clearly showed this in **John 5:46,** "For had ye believed Moses, ye would have believed me: for he wrote of me." There is much similarity between modern Judaism and the ancientxprerisee of 2,000 years ago, and Jewish authorities say they are the same.

It seems strange and sad, to see intelligent Bible scholars and pastors, who claim Christ as Savior, who accept Old Testament Scriptures which were fulfilled in Jesus, yet they refuse these same Scriptures when applied to ***true Israel,*** and credit them to the anti-Christs of Judaism instead.

To further complicate matters, they insist that the pseudo Jews who fulfilled none of the prophetic ***fingerprints*** of Israel in this Age, and who have proven themselves to be Christianity's bitterest enemies, yet they dignify and honor them by calling them God's Chosen.

Recently I spoke to a Fundamentalist pastor of a great Midwest church who was prominent at that time in the Moral Majority. He was bewailing the fact that although he

had supported the Jews, they were his bitterest opponents. ***why?*** he cried in obvious confusion. Yet when I pointed out that this was the ***nature of the Talmudic beast,*** and that it fulfilled all the requirements of the anti-Christ, he refused to accept it and when I read 1 **John 2:22,23** to him, "Who is a liar but he that denieth that Jesus is the Christ? He is ***antichrist,*** that denieth the Father and the Son. Whosoever denieth the Son, the same hath not the Father: [but] he that *acknowledgeth the Son* hath the Father *also."* When I asked him if the Jews filled this description, he got angry with me.

How in the world could the Word be any plainer? Referring back to 2 **John 11,** remember if you help these anti-Christ's in any way, you automatically become ***partaker in their evil deeds -***

If anyone of you who read this book believe that present day Judaism is based on the books of Moses, what we call the Pentateuch, then you probably also believe in the ***tooth fairy.***

It is a fact, which few Christians seem to understand, that most Jews know very little about the Old Testament. Someone once said, "A Fundamentalist Christian is one who believes the Bible from cover to cover, but knows very little about what's in between."

This may be somewhat of an exaggeration, for I know many Fundamentalists like Jack Van Impe, Jerry Falwell, Pat Robertson, and David Webber, who are educated men, who seem to be following the formula mentioned by the Apostle Paul in 2 **Timothy 3:7** "Ever learning, and never able to come to the knowledge of the truth." I am of the opinion that most of these don't want to know the truth, for it might force them to change their minds. This isn't easy to do, as I can testify from sad personal experience.

I believed some of the fables concerning the Jews being God's Chosen for 45 years, and preached them, not because I could find them in the Book, but because I thought they were there. That's what my church leaders said and they were the experts in God's Word, so I believed them. So why should I worry over whether they were telling me the truth? It took the ***dynamite of*** **God,** through a traumatic experience in my life, to ***blow away the Jewish fables,*** to where I can now read my Bible and see what its really says, not what some preacher or Bible scholars says it says. I have had concerned friends ask me if I wasn't sorry for having accepted the Kingdom Identity Message? and I must honestly say, that after 18 years in Identity, you could not pay me to go back to the weak and beggardly elements, of Judeo-Christianity.

The average Jews knows very little about the Mosaic teachings, although they may be well versed in the absurdities of the Talmud. According to their own figures between 70% to 80% of the Jewish people are either agnostics or outright atheists. They go to the synagogue on the Day of Atonement to say the **Kol Nidre Prayer?** which absolves them from keeping any promises they make in the coming year. This allows them to lie and cheat the ***stupid goyim,*** it is to their advantage. They say they follow the Old Testament, because that's what the Rabbis tell them, yet few of them know what it really teaches, and they are being fed the occult falsehoods of the Talmud.

It's the same with many Christians, they believe a certain way because they have a Scofield Bible and that's what Dr. Scofield says in his footnotes, and if he said it, it must be true!

Few of them are honest or concerned enough to check out this charlatan and see the kind of man he really was, if they knew the true about him, they would be shocked and disgusted, and would not be so anxious to propagate his often false teachings.

Since World War III may very well hinge on what the Bible foretells, it would behoove thinking, caring Christians and Jews alike, to find out what Scripture really says.

I dare you to take this book we call the Bible and sit down with a good concordance and without any preacher looking over your shoulder telling you what it means, and see for yourself. This is what the Apostle Paul meant when he told the young pastor Timothy, "Study to shew thyself approved unto God, a workman that needeth not be ashamed, rightly dividing (handling) the word of truth." (2 **Timothy 2:15)** Many Christians read God's Word, but few are honest and concerned enough to really study it.

We Christians in 2000, are a lot like TV viewers. The President makes a speech, and immediately some high paid commentator comes on to tell us what the President meant. They evidently feel that us ***common folks*** can't understand plain English. The same is true of many church goers, they listen to a sermon and believe it because their pastor said it was so. Very few of them bother to check and see if he is teaching Scriptural truth. In this manner apostasy creeps into the church and ruins it's witness, as Christians are led astray by ***fables,*** instead of the truth!

During the Dark Ages, the Roman Catholic church believed that only a priest, trained in their seminaries, was capable of reading and interpreting the Bible. The Bible was chained to the pulpit, so that the average Christian could not read it. It was also written in Latin, which the average person didn't understand. In this way, the church could change Scriptures at it's whim, to follow the encyclicals that came down from Rome. Many of it's teachings such as the "Assumption of Mary", and the teachings regarding ***Purgatory,*** were not taught in the church until hundreds of years after it's formation. The protestant church, which broke away from Rome during the Reformation has done very little better! They still accept and believe Jewish fables.

Many Christian pastors, especially those in the lucrative field of TV evangelism, refuse to preach the ***whole counsel of God's Word,*** because it would cut them off from national TV which is controlled by the enemies of Christ.

In **Jeremiah 23:22,** we are told that if the pastors of Israel would, "if they had stood in my counsel, and had caused my people to hear my words, then they should have turned them from their evil way, and from the evil of their doings." This hasn't happened and is a terrible indictment against the message being preached in our Christian churches today. It's the basis of the corruption we see in America as this millennium begins -

In all due honesty, many Christian pastors know little more about their Bible than their parishioners do, for they too are influenced by what mentors have taught them. Why bother to check out the Book for themselves when some seminary professor has done the work for them?

They are so busy with the demands of modern church life, weddings, funerals, visiting the sick, counseling, and all the important Rotary Club meetings, that Sunday rolls around and they have not prepared their Sunday sermon. **NO WORRY**! On their bookshelf is a

book by Doctor So and So's sermon outlines. It gives them the text, illustrations to use, and even a few funny stories that may tickle the congregations fancy. In thirty minutes the pastor can prepare a thirty minute sermon to use on Sunday. The problem is, what he gives his people is what the good Doctor believes, and this is not necessarily what is in God's Word.

I could go on and on about the general ignorance in God's Word, displayed by a majority of church goers, Jew and Christian alike, but I want you to understand that Jews do not believe and follow the Old Testament.

40.) Since World War II, the power of International Jewry has expanded enormously until today, in the United States, we see a special virulent form of anti-Gentilism in operation. (By anti-Gentilism, I refer to anything which is not Jewish in origin.) While the Jews continue to do business with the ***goyim,*** they hate and despise us secretly, especially if we are Christians, and many times this hatred creeps into the open, especially when it concerns Christians who have the courage to expose their plans for World Conquest.

For far too long, through the power of their purse, and fear of the Jews syndrome, they have ***brainwashed*** normal patriotic and intelligent Christians into supporting those who hate and are trying to destroy them.

These ***sheep like*** Christian brethren are under pressure from anti-Christian forces which exerted this same pressure and terror against that little band of Christians who first made up the nucleus of the Christian church in the 1st Century A.D.

We see the fear they generated in **John 20:19, which** tells about the experience of these first Christians: "Then the same day (the day of the resurrection) at evening, being the first day of the week, when the doors were shut where the disciples were assembled ***for fear of the Jews,...***" It was into this fearful assembly that the resurrected Christ came, and oh how we need to hear His reassuring voice today as He said to them, "***Peace be unto you.***" We need to listen to this voice in the fear filled days of 2000. How our average Christian people need to get their eyes off the alien Jews, and focus them on their King!

It seems almost as though Kosher Christians like Jerry Falwell, who brag about being a Christian Jew, are offering salvation to America through the Jews, rather than through Jesus Christ. Recently he has been making overtures towards the Sodomites, inviting them to his church for a meeting of reconciliation, when he knows, God's Word says they are ***worthy of death!*** **(Romans 1 :32).** Why does Falwell preach what he knows is a false gospel? Is it because he knows this will please the Jews, and wants to stay in their good graces?

Wht thes Billy Graham, preach a ***watered down*** Gospel he knows is false, in order to fill the football stadiums? He has publicly said that the Jews do not have to come to God through Jesus Christ, although for years he preached the truth, that, "No man cometh unto the Father but by me (Jesus)", **(John 14:6).** Why does he teach that interracial marriages are all right, if both parties are Christian, when he knows God looks on this as a cardinal sin and His Word teaches otherwise? Could it be that he is more interested in the ***praise of men,*** than the ***approval of God?*** Why do these men and others like them say that America will be saved if we are kind to the anti-Christ's of Jewry?

I have received many letters from the Billy Graham Crusades asking for money as it repeats over and over again, ***ad nauseam*** the lie that the Jews are God's Chosen. Yet you can find no place in Scripture where it says this.

If American Christians would only understand the truth, that Jewry has spent billions of dollars to put the ***stupid goyim asleep,*** while they are being destroyed, they would never have been able to hide their nefarious plans behind a ***smoke screen*** of religion.

The Jew Rosenthal in the shocking Rosenthal document said, "Money is more important to us than morality. We can accomplish anything with money. We are proving that in Israel where its strength against attack is a permanent state of war readiness. We can now win in any encounter and the kibbutz raised intellectual elements are going to build that small country into a Middle East wonderland. It will eventually be the base for World Government Headquarters." What does God's Word say about this? Study **Malachi 1:2-4,** especially **verse** 4 - "Whereas Edom (true Jews are Edomites, see **John 8:33)** saith, We are impoverished, but we will return and build the desolate places; thus saith the Lord of hosts, They shall build, and I will throw down; and they (true Israel) shall call them (Jews). The borders of wickedness, and, The people against whom the Lord hath indignation (anger) forever." So much for your Chosen People Theory!

I am not one of those equally ***brainwashed*** people who believe that the Jews and the aliens are the source of America's problems. I believe, with a great deal of Scriptural backing, they are the effect of White Christian ***disobedience which*** the cause of our problems. God is using them as a disciplinary tool to bring His people back into ***obedience*** to Him.

If our White Christian people ever understand who we are and our responsibilities to God and our fellowmen, then we will understand that the blessings and curses of **Deuteronomy 28** were meant for us, as well **as** for our ancient forebears, and we will be well on our way to putting our only **FORMULA FOR SURVIVAL**into operation. **2 Chronicles 7:14 -** "If my people, which are called by name (Christians), will ***humble*** themselves, and ***pray,*** and ***seek my face,*** and ***turn*** from their wicked ways; then will I hear from heaven, and will ***forgive*** their sins, and will ***heal*** their land."(Emphasis mine)

I realize that many Christians who read these words, if you have had the courage to read this far, do not expect to be around when this trouble breaks like a tidal wave over America. It can come at any time, and you are not going to be rescued by some supernatural ***Rapture,*** which is taught nowhere in God's Word. How can you have the nerve to believe that you will be taken out of this trouble, when it has been your Christian apathy that has caused it? How can you look at the millions of Christians who have suffered for Him, and believe this? Have you ever "suffered unto blood, striving against sin?" **(Hebrews 12:4)**

In 1933, a much maligned man named Adolf Hitler began to see the truth in Germany. He made plans to ***kick the money changing troublemakers*** out of Germany. There is no documented evidence that he planned to eliminate the Jews, as we have been so religiously told, and if you are honest and willing to do some background study you can see this. If you look around America, you will find many of the Six million who were supposed to have died in the Holocaust, now making a living off their horror stories,

while nothing is ever said about the millions of German people who were murdered by the allies during the war and afterwards.

America has gone past the place reached by Germany in 1933. We are very close to the ***point of no return,*** if we have not passed it. There is only one hope left for us. It is not in the election of a new government, although this is very important. It is not in return to the Constitution, although this would alleviate many of problems. We are past the place where these things will bring us peace and safety. The International Jewish Talmudists have too much of a strangle hold on America. We stand on the same spot our founding Fathers stood in 1776. The only way we will have the country return to decent government and a decent country, is when White Christians in America, first learn the lesson of ***obedience*** to God, and then if necessary, under HiS command, take our nation back by force from the aliens who have invaded us. Our ***battle cry,*** needs to be that of our forbears: "Resistance to ungodly tyranny, is obedience to God."

I forgot, many of you good christians will have been ***Raptured away*** to the ***never, never land call heaven*** before this time comes. While the rest of us poor ***suckers,*** who have tried to oppose the enemy will suffer under the hellish persecution of the anti-Christ. (A clever twisting of the Scriptures can produce this belief.) It has turned millions of potential soldiers of the cross, from front line combatants who are occupying until He comes, into ***spiritual foxhole dwellers,*** who hide in a comfortable spiritual foxhole while the battle rages folding your holy hands in prayer, while you ask Jesus to rescue you from the results of your own selfish apathy. I hardly believe it will work this way. No matter what your pastor tells you. For as Jesus discussed these days with His disciples in **Matthew 24:21,22,** He said, "For there shall be great tribulation, such as was not since the beginning of the world to this time, no, nor ever shall be. And except those days should be shortened, there should no flesh be saved: but for the ***elect's*** sake those days shall be shortened." (No place in Scripture are the Jews ever referred to as the elect.) This is a term indicative of ***Sonship,*** which can only come from complete sell out to the King. I believe it goes far beyond being merely ***born again.*** It means turning our life over to the King, and to stop doing our own thing. Many Christians talk about wanting a mansion over the hilltop that is ***silver lined,*** when their Christian life has been a straw gathering one, and this is the shoddy material they have sent to build their heavenly home. Paul talks about this in 1 **Corinthians 3:13 -** "Ever man' S work shall be made manifest: for the day shall declare it, because it shall be revealed by fire; and the fire shall try every man's work of what sort it is." ***Verse*** **15 -** "If any man's work (hay, wood, stubble) shall be burned, he shall suffer loss: but he himself himself shall be saved; yet so as by fire."

2 Timothy 2:12 - "If we ***suffer*** (endure), we shall also reign with Him: if we deny Him, He also will deny use:" (We deny Him when we seek relief from occupying until He comes!)

Revelations 3:21 - "To him that overcometh will I grant to sit with Me in my throne, even as I also overcame, and am set down with my Father in His throne." You won't rule and reign with Him by being a ***foxhole dweller.*** No where are Christians granted relief from persecution. For He said, "As they persecuted me, so shall they persecute you, Rejoice and be exceeding glad: for great is your reward in heaven:"

Acts 5:41 - "And they departed from the presence of the council, rejoicing that they were

counted worthy to suffer shame for his name." This was after they had be beaten by the Jews religious leaders.

When the Apostle Paul asked God to relieve him of what he called a ***thorn in the flesh,*** he received this reply: "My grace is sufficient for thee: for my strength is made perfect in weakness."

We know people will be saved during the Tribulation for John in his revelation vision saw vast numbers of them **(Revelations 7:14).**

So before you are fooled by a false doctrine that says you will be saved from the tribulation, ask yourself: "Why should God save me, when I've done very little for Him? I've never really suffered for Him, while millions down through the years died for Him?" Some are even today being persecuted by Jewish Communism."

Was **Romans 8:17,** written for some other Christians besides you? ". . if so be that we suffer with him, that we may be also glorified together."

How about **Philippians 1:29 -** "For unto you (born again Christians) it is given in the behalf of Christ, not only to believe on him, but also to suffer for his sake;"

Listen to me, my Christian friends, very carefully. Do you "glory in tribulation for His sake?" as we are told to do in **Romans 5:3** or are you hiding in your comfortable, air conditioned spiritual foxhole, praying for Him to rescue you? Christians who do this demand our pity, for they will never receive the Lord's approval. It could be that they may be among those who will tell the Lord how much they have done for Him, only to have Him say: "And then I will profess unto them, I never knew you: depart from me, ye that work iniquity." (Those who have refused to obey **Me.) (Matthew 7:23)**

Ask yourself honestly. If my pastor lied to me about the Jews, could he also be lying about the Rapture? It's a great tool for an evangelist to use to get people to come forward to the altar, but it's a false promise. I'm ashamed to say that I used it effectively many times, before I learned the truth.

What do you actually think, Jesus meant in **Luke 21:12,** when He said, "But before these (remember He was talking about the tribulation, in which there would be wars, famines, earthquakes, pestilence, and fearful signs in the heavens), they (ask yourself who this they may be) shall lay their hands on you, and persecute you, delivering you up to the synagogues,..." There is only one people who worship in synagogues. Be honest now and realize that Jesus is speaking about intense, Jewish persecution of Christians, not only in the First Century A.D., but in these last days. Your pastor can't honestly get around this by any amount of religious waffling.

41.) Nothing will be accomplished if Christians continue to deceive themselves. It may frighten you to face the horrible truth, but the facts will not change because you don't like them.

Some Christians have read the remarks made by the wealthy Jewish writer Marcus Eli Ravage in the January issue of the "**CENTURY MAGAZINE",** 1928. Here he admitted that all our wars and revolutions have been caused by Jews.

The well known French author, L.F. Celine, in his book "**THE SCHOOL OF CORPSES",** writes: "All wars, all revolutions, are positively nothing but programs (organized massacres) of Gentiles, arranged by Jews."

Samuel Untermeyer, a very powerful and influential Jew, stated in the "**NEW YORK TIMES",** August 7, 1933, "The Jews are the aristocrats of the world." They love to brag about their superiority over the ***stupid goyim.*** Referring once again to the Harold Rosenthal Document, page 10, he says, "There will be forced class warfare here in the United States and many will be liquidated. You will unquestionably be among them. We Jews will not be harmed! I'm not boasting now! I'm giving facts! It's too late for you Christians to put up a defense. That time is long past. Long, long ago we Jews had to become the aggressors. That undoubtedly is one of our great purposes in life. We are ***aggressors!"*** He continues on page 16 - "We have castrated society through fear and intimidation. Its manhood exists only in combination with a femanized outward appearance. Being so neutered, the populace has become docile and easily ruled. As all geldings in nature, their thoughts are not involved with concerns of the future and their posterity, but only with present toil and the next meal."

I though about this the other day, as an underdog University of Arkansas football team, defeated #3 university of Tennessee in a trilling football game 28-24. The crowd of some 55,000 went absolutely wild, and the Arkansas coach actually broke down in tears. Dignified men and women, noted for their composure, went wild, and acted like little children. Yet I sincerely doubt, that you could get 500 of that crowd, to attend a meeting, where present day problems were discussed from a Christian viewpoint. They just don't care about anything but that which brings them momentary pleasure, and have lost that important value in life called ***proper priority!***

The RAPTURE ***DOCTRINE*** has supported Rosenthal's report by appealing to this non-Biblical doctrine, which allows Christians to escape from the responsibility they have of obeying God's Law here on earth. It is another of those Jewish Fables, **(Titus 1:14)** made especially for the gullible ***goyim*** to lead them astray.

The following letter, written by a wealthy Jew in the 1940's shows how a concerned Jew feels about his own people: "By our arrogance, we Jews are responsible for a rapidly growing wave of anti-Semitism, and, what is even more dangerous to us, Gentiles are discovering that anti-Semitism is a misnomer invented by us to cover up our own anti-Gentilism.

"Among educated Gentiles, are many who know that Syrians, Arabs, Ethiopians, Absynnians, and millions of Levanties are also Semites, and that the term anti-Semite, once a smoke screen, is rapidly turning into a fire. Further, millions of Gentiles have studied the "**PROTOCOLS OF THE LEARNED ELDERS OF ZION",** which we have endeavored in every possible way, by spending huge sums of money, to discredit as a forgery. We must admit, that in no instance have we been able to disprove this document.

"It is more than asinine for a group of professional Jews to admit, and even prove (in the Jewish magazine, "**MEDICAL LEAVES",** Volume IV, page 143, 1942) that the Protocols were actually written by a scholarly Jew, Dr. Eli de Cyan in Paris

"You recall that Protocol IX says that the term anti-Semitism is our creation. 'De facto' we have already wiped out every kind of rule except our own... Anti-Semitism is indispensable to us, for the management of our lesser brethren.

"Recall also Protocol V, in which we shall increase and intensified governments we can control; then take a close look at the New World Order.

"It is interesting to note that in 1920, Pope Benedict XV called attention to the need for a family of nations, to safeguard society. The later, the Pope warned against: 'The advent of a Universal Republic, which is longed for by all the worst elements of disorder, and confidentially expected of them.'

"Why then do we see in 1941, Pope Pius XII speak in favor of World Union?

"The explanation can be found in Louis Ferdinand Destrouche's book **"THE SCHOOL OF CORPSES",** page 198, where he says, "Nothing is more Jewish than the present Pope, whose real name is Isaac Ratisch. The Vatican is a ghetto. The Secretary of State of the Vatican, Pacelli, is also a Jew.

"Gentiles who know this are beginning to understand why Pope Pius XII is advocating a global Super Power directed by a handful of men for an unscrupulous dictatorship, although the Catholic Church has always been considered as a bulwark against the monstrosity of a World Government.

"A French priest told me that Jews were responsible for the starvation and torture of German prisoners in France, where he saw many who looked like skeletons. (Of course you never hear about this in the controlled media or in TV, where it is always the poor, persecuted Jews, who are shown and many of these are posed pictures.)

"Churchill was a Jew - blood through his Jewish grandmother, and President Roosevelt's Jewish ancestry in no longer secret, since this revelation was published in the Washington Star, February 29, 1936.

"General Dwight Eisenhower was known at West Point, as 'the terrible Swedish Jew', and his hatred for the German people was well known. In a letter to his wife Mamie, he wrote, "God, how I hate the Germans!" (UNQ)

"Eisenhower's actions after the war prove this Jewish hatred and desire for revenge against the German people, as he deliberately allowed over 2 million soldiers and civilians to starve to death, in a ***planned program of extinction."*** (See **"OTHER LOSSES",** by James Bacque, of Toronto, Canada, for confirming statistics.)

While we are told in 2 **chronicles 7:14,** that humbleness is one of the ingredients that brings healing to any nation or people, we have seen very little of humbleness on the part of White Christian Israelite Americans who still make up the spiritual strength of America. Instead, we often see an overwhelming pride, which must cause a ***stench*** in the nostrils of God Almighty. Men like Dr. Billy Graham may fill football stadiums, while men like Pat Robertson and Jerry Falwell speak to full, large church audiences, and charlatans like Paul Crouch of TBN and Jack Van Impe, may speak to millions over controlled TV, this is not the sign of spiritual success, or God's approval. It means they are conforming to the world, in order to be popular. That the approval of men, means more to them than the approval of God. "For by their fruits shall ye know them."

We pray, Yes we do! We hold National Days of Prayer, where millions gather and ***fizz*** for an hour or two beseeching God to save them from the horrible results of their own Christian apathy. We hear very little about truth, that ***obedience must accompany prayer to be successful!***

Very few of our so called Christian people consciously ***seeks God's face,*** and ***will*** in their life. This is proven by the fact that they refuse to give up doing their own thing, whatever that may be, to follow Him in obedience!

You may believe that I am being ***prejudicial and judgmental,*** which to many in the Judeo-Christian church is a ***cardinal sin,*** although Christians are told in 1 **John 4:1** - "Beloved, believe not every spirit (spoken word), but try (test) the spirits whether they be of God: because many false prophets are gone out into the world." Just because some preacher states something in the truth, doesn't necessarily mean it is true. It must confirm completely to what the Word of God says. How many of you who have read thus far have taken the time and effort to check out the veracity of your pastor's words. This doesn't mean that you don't trust and believe him, unless he's given you reason to, but that you are ***"shewing yourself approved unto God; a workman that needeth not to be ashamed, handling rightly the Word of Truth,"*** **(2 Timothy 2:15).** If most Christians did this, their pastors would be inclined to check out what they were teaching.

So we gather at some Interfaith Pray Meeting, and listen as some national figure, it might well be a Jewish Rabbi, who speaks to us about the necessity of love and deeper understanding between religious bodies, when we fail to realize we are forgetting the warning of 2 **John 11,** that if we give them God speed, in any way, we become partakers in their evil deeds. They wonder why God does not hear and answer our prayers.

So we mix the heathen element of the country. We listen to their music and allow our children to play it in our homes, even buying it for them. We often use heathen terminology in our everyday conversation; we follow the same lustful pleasure the Babylonian system offers, and wonder why God does not hear and answer! Our nation has become Africanized in the last fifty years, in a so called Christian effort to show brotherly love, to many who hate Him, and wonder why our children have turned into savages. They follow the lusts that are brought forth from their Satanic African ***rock and roll music.*** How many of us even play it in our churches under the excuse, we need to get the young people into church and it's better to have them listen to it, when it has Christian words, than to listen to it at some honky tonk. The Apostle Paul condemns this in **Romans 3:8,** when he says that we must be against those who say, "Let us do evil, that good may come?" That those who do are under just condemnation.

As for American Christians turning from their wicked ways. Most of them have been having too much ***fun,*** under the Babylonian System. Ask the average teenager what they want most out of life, and they will probably tell you: "We want to have fun and live life to the fullest." This is what has prompted such popular ads, as "You only go around once in life, so live with gusto!" To you're come a long way baby!, Don't let those Christian fuddy duddies spoil life for you! Their parents are just as bad, for when they have a sizable nest egg, laid away, they say: "I'm fixed for life, I can take it easy now!" Jesus told about such a man in **Luke 12:19,20** who said, "I have much goods (wealth) laid up for many years; I'll take my ease; eat, drink, and be merry." And God spoke to him in **verse 20 -** "...Thou fool, this night thy soul shall be required of thee: then whose shall those things be, which thou hast provided?" **Verse 21** - So is he that layeth up treasures for himself, and is not rich toward God." In other words he puts himself and his family, before God. There are those in the Kingdom Movement, who do this. They preach about how necessary it is to preserve the Constitution, and this is important; they want to preserve freedom, and this is desirable, but they have an improper priority, and do not understand that in order to have these good things they so desire, they must put God first in their lives. If we can get our White people to understand and do this, the battle will be more than half won!

For over eighty years, Americans have danced to the music of the Babylonian symphony, and enjoyed it. Now it appears that we must pay the band, and the price is horrendous. It may mean loss of freedom, or for some of us loss of life. Has it been worth it? Of course not! But like our stiff necked Israelite forbearers, we still ***do evil in the sight of the Lord,*** and God must discipline us, because we are His children and He loves us, **(Hebrews 12:6,8).** (Also take time to read the ancient

history of our people in the book of Judges.) Notice how many times it says, "And Israel did evil in the sight of the Lord, and the Lord ***sold*** Israel into the hands of their enemies!" Must this be repeated before we learn our lesson? Must we be ***knocked to our knees, and have our nose rubbed in the dirt,*** before we will listen to God, ***obey,*** and be ***saved,*** both spiritually and physically?

There is a key verse to survival found in **Galatians 6:7.** It was written to, and for, and about White Israelites in the church at Galatia: "Be not deceived; God is not mocked: for whatsoever a man/woman soweth, that shall he/she also reap." It goes on to say that if we ***sow to our fleshly lusts,*** whether it may be sex, riches, worldly popularity, etc., we will sow ***corruption,*** but if we sow ***spiritual things,*** (put God first in our life), we will ***reap life everlasting.*** Then Paul encourages Christians by saying, "And let us not be weary in well doing: for in due season we shall reap, if we faint not." We have far too many weary willies in the church these days, who want Christ as Savior, all right, but they want Him as a sort of Celestial Fire Insurance Policy to keep them out of hell. They do not want Him as King, although they may sing about it in their church, for when He is King, He must take first place in our life, before everything else; before self; before wife or children; before our country. He must have first priority in our lives. When we give Him this proper devotion, then: "all these other things will be added unto us," **Matthew 6:33.**

If we refuse to obey, according to **Deuteronomy 28:49,51** we can expect Him to, " bring a nation against thee (Israel) from far,... as swift as the eagle flieth (possibly an airborne invasion?); a nation whose tongue (language) thou shalt not understand; A nation of fierce countenance, which shall not regard the person of the old, nor shew favor to the young: And he shall eat the fruit of thy cattle, and the fruit of thy land, until thou be destroyed:..." Is this what you want for America?

Stop here and take some time to study **Ezekiel 38,39,** this attack which will come against the Israel nations of White Christendom, not the anti-Christ's of the Israeli in Palestine, will come in the ***latter days.*** I believe history and Bible prophesy proves we are living in those times.

Anti-God Communism is not dead, even though conservative newspapers like the **"Spotlight"** say it is. It has merely changed it's name and now masquerades under the title of International Zionism. It has the same purpose as Communism. That is World Conquest.

"THE AMERICAN HEBREW", the leading Jewish newspaper in America, in it's September 10, 1920 edition stated: "The Bolshevik Revolution was the work of Jewish brains; of Jewish dissatisfaction, of Jewish planning, whose goal was to create a New World Order. What happened in Russia, shall also through this same Jewish mental and physical force, become reality in America, and all over the world."

Ask yourself why since 1987, when the Communist world was supposed to have come to pieces, the Communist breakaway nations of the old U.S.S.R. (all of whom are headed by hard nosed Communist Jews), have increased their aggressive military strength by 30%, while the United States has reduced ours to it's lowest level since World War II?

While we have not built a nuclear carrier in the last decade, these Communist nations are floating two per year. While our submarine force has been practically disarmed by Presidential order, and we built no nuclear subs in the last decade, they are turning out two a quarter, all offensive weapons.

Back in 1945, Dmitri Manualisky, a Russian Diplomat who was the head of the United Nations Security Committee, said, "We are not strong enough to attack now. So we will offer the Free World unheard of peace overtures, and the Christian Capitalist nations, stupid and decadent, will leap to become our friends. They will willingly cooperate in their own destruction. Then when their guard is down, and they have gone to sleep, we will smash them with our clenched fists!" The Bible says of people who are not on the alert, 1 **Thessalonians 5:3** - "For when they shall say, Peace and safety; then sudden destruction cometh upon them . . . and they shall not escape."

Whether you want to accept it or not, the Zionist/Communist invasion has already begun. They are

here with their military and their heavy equipment, training on American bases for the day when they will be called on by their Zionist overlords, to take over this once Christian nation.

As I write this, there are already more than 80,000 Russian troops on American soil, using our railroads and highways, and training on our air bases; yet the traitors in the White House, and many in Congress refuse to admit this truth, and call those of us who sound the alarm to warn our people, of coming danger; ***extremist terrorist*** who are a danger to our country. This is the Orwellian method of double think, and double speak!

Are they preparing for that day when the enemy will think an evil thought and say, "let us go up against a land of unwalled villages, where the people are at rest: and take a spoil of cattle and goods." **(Ezekiel 38:10,11)** There is no way this Biblical description fits the land of Old Palestine, as our JC pastors teach. It fits North America to a **"Tee".**

We know that since World War II, thousands of enemy agents have infiltrated our nation and the government. Many of them are trained in the art of warfare. Over 50,000 Russian Jews have been given free access to this country, although our State Department knows many of them are practicing Communists. Are they preparing for the day when their overlords will sound the attack?

With the promises available to us from the Scriptures, which we know will work, because God cannot lie, why do our people, especially professing Christians continue on the path to National suicide? I know some say, "It won't happen to us, for there are too many born again Christians in America," while others take comfort in a ***FALSE*** RAPTURE and believe they will be gone when it happens. It seems like the ***height of stupidity,*** and in my opinion it is!

One of the sins that Israel committed when they worshiped the golden calf in the wilderness, was that of unashamed nakedness, **Exodus 32:25** says, "and Moses saw that the people were naked; (for Aaron had made them naked unto the shame among their enemies:)" It was then that in great anger Moses broke the tablets of the Law that God had given to him. Have we learned anything since 1491 BC? Apparently not, for today we see so called Christian women and girls, on the summer beaches, and swimming pools of our land exposing themselves, many times for all intents and purposes naked, causing Christian men and heathens alike to lust after them. Then they wonder why their daughters become pregnant before wedlock, and why sexual sins run rampant in the land. The enemy glories in this, and you will find that most of the push towards immorality, is carried out from Jewish sources.

I can remember when Christian youth camps kept boys and girls apart during swimming sessions. Now the Christian counselors often appear as near naked as the law allows.

Because of the laxity in Christian morals, the enemy scoffs at our religious beliefs.

One thing I have always admired about ***SCRIPTURES FOR AMERICA'S SUMMER CAMPS,*** is that they always require both men and women to dress with modesty. You will see no bikinis on our beautiful Israelite women and girls, nor will you see men or boys parading around showing off their naked bellies and hairy chests. Yet our young people have as much fun as any group at secular camp, noted for it's liberalism. You will also find no more disciplined and gracious youth than you will see at these Identity camps. In my days as an evangelist, I was called on frequently to correct church youth, who were whispering and giggling while a meeting was in progress. I've never had to do this at any Identity meeting. Almost without fail, the Camp Director will comment on the graciousness of our youth during camp, and have remarked on several occasions that they were far better disciplined than most church groups who used the camp. They are a joy to work with. This doesn't happen automatically, but is a mark in favor of the parents who bring up their children to be Christian ladies and gentlemen.

These are the youth the enemy want to destroy, for they know that when they reach adulthood, they will not be taken in by the anti-Christ's elements which would destroyed everything we hold dear and sacred.

In their textbook **"PSYCHOPOLITICS",** page 28, they say, "In the case of strong leaders among youth groups, a ***Psychopolitical*** operator must work many ways to discredit their leadership. The character of the boy or girl must be altered carefully into criminal channels and controlled by blackmail or other means. When this leadership is not susceptible, where it resists our persuasions and might become dangerous to our cause, no pains must be spared to direct the attention of authorities to that person to harass them, until they come into the hands of juvenile authorities. When this happens, the child advisors, can in the security of the jail, and cloaked by the process of the law, destroy their morality. You will always find persons of low moral character with strange appetites whether they be judges, policemen, or women of juvenile authorities. By making available to them young boys and girls in the security of the jail they can direct the future decisions of these youth."

These my Christian friends, are the kind of immoral monsters, who using their Talmudic training will destroy your boys and girls if given the chance. No matter what the cost, we must not allow this to happen!

Today, after 3400 years of enlightenment, including the New Testament teachings of Jesus Christ and His Apostles, how much more will today's Christians be held accountable for the evil we have allowed to enter our land and flourish, often with church approval.

The Apostle Jude speaks about these in **Jude 7** - "Even as Sodom and Gomorrha, and cities about them in like manner, giving themselves over to fornication, and going after strange flesh (Greek HETEROS, meaning: other or different flesh), are set forth for example, suffering the vengeance of eternal fire." Some one said, "possibly a bit blasphemously, "If God let's America get away with their wickedness and perversion, He will have to apologize to Sodom and Gomorrha."

You can count on it my friends, America will not get away with it's wickedness, nor will American Christians be held blameless for letting it happen! In **Ecclesiastes 8:11 -**"Because sentence against an evil work is not executed speedily, therefore the heart of the sons of men is fully set in them to do evil." Remember: "...***be sure your sin will find you out."'*** **(Numbers 32:23)**

You Judeo-Christians who allow Sodomites to pastor your church, and provide ***aid and comfort*** to those who engage in this perversity, how will you answer before God, when He requires it of you?

Jude says Christians who engage in such conduct are, "...spots in your (Christian) feasts of charity, when they feast (eat) with you, feeding themselves without fear: clouds they are without water, carried about of winds (unstable in their Christian life) : trees whose fruit withereth, without fruit, twice dead, plucked up by the roots; Raging waves of the sea, foaming out their own shame; wandering stars, to whom is reserved the blackness of darkness for ever." There is no doubt that many who go by the name of Christian will hear Christ say: "Depart from Me ye that work iniquity. I never knew you!" **(Matthew 7:23)** I don't want to take the chance of this ever happening to me.

Jude reminds those who are sanctified by God and preserved in Jesus Christ; the called, "how the Apostles of our Lord warned them of how in the 'last days,' (the closing out days of this Age) there would appear mockers who would walk after ungodly lusts. I believe these are those who go by the name of Christian, but who are sensual and without God's Spirit.

They may say they have His Spirit; they may even ***speak in tongues,*** but their sensual lives show them up for what they really are. Jude says, that we must "hate the garment spotted by flesh." (the carnal nature).

We have further testimony of this in **2 Peter 2 & 3,** where the Apostle talks about our deliverance by God from temptations, and that He will reserve the unjust unto the ***day of judgment to be punished***

Our modern pulpits seldom preach about these things, as they are too unpleasant for the modern church goers to accept. Notice the description Peter gives of these people: "Chiefly them that walk after the flesh in the lust of uncleanness and despise government (Authority)." This seems to be the

mark of most of our youth today, including many who are supposed to be Christians. They despise anyone who says no! to them, or attempt to curb their rude and often savage behavior. What can we expect of them, when the rock idols they adore, and which they are often encouraged to listen to by their parents, present this same behavior on TV, that can be traced back to the influence of their savage African music. It's not natural for White boys and girls, to bite the heads off live chickens, when under the influence of savage music. This is Satanic African voodoo through and through, encouraged by Jewish influence that often leads to the use of drugs and illicit sex.

I saw this Satanic influence on the natives of Africa when I lived there for several years in the early 1960's. One year, several Americans received permission for a hunting trip into the center of southern Sudan. It was the first time foreigners had been allowed into this part of the country in over twelve years. We traveled over 2,000 miles by jeep and truck, to the headwaters of the Nile River, to an area where they had never seen White people before.

One night a native chief invited us to attend a big celebration at his village. We arrived after dark to find several hundred Blacks gathered around a huge bonfire. They were being entertained by native drummers, who beat on hollowed out logs of various sizes. We noticed that as these men drummed a certain rhythm, the natives would sway back and forth with their eyes closed in an almost hypnotic trance; then the drummers would change their beat, and the warriors would grab their spears and charge screaming into the crowd, in a frightening display of savagery; then the beat would change again, and the men would leap on the women, grabbing their hair, as they dragged them into the jungle where all sorts of sexual orgies took place. I thought: " My God, how can human beings act so much like savage animals!"

When I returned to the United States in 1964, I made a point of attending a Beatle's Rock Concert in Florida, where I saw a youth, as they listened to the same savage African drum beat, I had heard in the heart of darkest Africa, with the same effect. Screaming girls, some no doubt from Christian families, fought to get on stage with the musicians, and became so frenzied that they tore off their blouses and scratched their bare breasts until the blood flowed. My blood ran cold, at this display, although at that time I did not know about it's Jewish sponsorship.

In the intervening years, the rock scene has become much worse as degenerates such as ***Madonna, and the Prince*** have become popular to the point where they are actually worshipped by our ***brain dead*** youth. Yet these same youth become hostile if you point out how they are being used by the enemy, often with the sanction of their own church.

A careful study of ***hard rock*** in particular, will prove to an impartial, honest observer, that not only do the lyrics promote promiscuousness, but that the beat is harmful, producing drug use, chaos and rebellion against anything decent. This is it's purpose and the enemy has been very clever I wpromoting it, spending billions of dollars in their effort to destroy White American youth in particular.

To casual observer from another plant, it would be easily discernible to see the evil behind this Jewish controlled modern music system. All one needs to do is look at the names behind those who produce and promote it. Look at the names of Rock bands such as the **"Grateful Dead"** then look at the savage, sleazy appearances of the so called artists, in their dinky Afro's, their antics on stage, the utterly suggestive actions they perform. In another earlier generation, they would have been ridden out of town on a rail, before being ***tarred and feathered*** by an irate community. The utter degeneration and final destruction of White Christian civilization is their ultimate aim. A close look at those who produce this filth will reveal an usually high percentage of Jews, who run the musical companies who publish this filth and turn these savages into national youth heroes.

Sadly enough Christian clergy, are often found among those who encourage ***religious rock*** in their churches, even though the Satanic beat, is the same as in secular rock. Although you may not want to admit it, they have become intellectual prostitutes of Zionism, and have sold their bodies from the shoulders up, as much as any female prostitute sells her's from the waist down. These so called

servants of God, like some of the females species, are willing to sell out to anyone with the asking price and should any whisper, pamphlet, or book such as this, tell American Christian the truth, they are savagely attacked by these Christian leaders, who support the ungodly government by branding us as an inane threat to the safety of America. It has ever been thus.

These Christian Patriots stand between International Zionism, and their desire for a One World Slave Plantation, with them as overseers. As the Jew Samuel Roth said, "We (Jews) come to the nations pretending to escape persecution, when we are the most deadly persecutors in all the wretched annuals of man.

The Apostle Peter understood such, and said of them, **2 Peter 2:19 -** "While they promise them liberty, they themselves are the servants of corruption: for of whom a man is overcome, of the same is he brought in bondage." So by clever subterfuge, they have made ***intellectual slaves,*** of many who call themselves Christian.

Peter says these enemy of decency, "count it a pleasure to riot," (Greek TRUPHI, meaning: "to break up; enfeeble the mind and body through indulgences such as homosexuality, effeminacy, and lusting debauchery) and they have become so bold that they practice these debaucheries in broad daylight.

It is as much ***adultery*** to marry outside your own race, as it is to have sexual relations outside of marriage. I heard a discerning Black say, "Interracial marriage is like mixing coffee with cream, it destroys the essential elements of both." This fellow made a lot more sense than so called Christian leaders who say it is okay as long as both parties are Christian. **James 1:8** says, "A double minded man is unstable in all his ways." Those who teach that interracial marriage is all right are certainly Scripturally unstable. Certainly many of our TV evangelists like Bakker, Swaggert, and many others, fit this description. They think all that is necessary when they are caught is to weep some big ***crocodile tears*** before their church as they ask for forgiveness, then go right back and continue their ungodly life style, holding the cause of Christ up to defamation!

Peter describes these ***wolves in sheep's clothing,*** who fill the pulpits of many of our Christian churches, as those who speak great swelling words of vanity listen to them on TV as they shamelessly toot their own horn. Telling their audiences what great things they have done for the Lord. I can't think of a more shameful example than that of the Jewish ev schlist Benny Hinn, and his healing ministry.

They are like the Pharisees who prayed on the street corners to be seen of men. I saw this take place in a restaurant one time, when a group of people came in, evidently after church service for dinner. They were headed by their pastor, a heavyweight, dressed in a funeral suit, who after his flock was seated, said in a loud voice that could be heard over all the restaurant: "Please be quiet now while I ask the Lord's blessing on this food." He then launched into a loud, long winded prayer, which was obviously intended to impress those who heard him, rather than to God.

Jesus spoke of this kind in **Matthew 23:33 - "Ye** serpents, ye generation (bloodline) of vipers (poisonous snakes), how can ye escape the damnation of hell?" Peter says, "...they allure through much wantonness, those that were clean escaped from them who live in error," **(2 Peter 2:18)**

They allure weak Christians and others by promising them liberty from God's law, **verse 19.** Those of you who love to sing the un-Scriptual song, **"Free from the Law, oh happy condition,"** do not seem to understand that you are violating your trust in God, by doing it.

The Apostle Paul in his marvelous dissertation on the Law, in **Romans *31*** says in **verse 31 -** "Do we then make void (of none effect) the law through faith? God forbid: yea, we establish the law. In **Romans 4:13,** he explains how Abraham became the heir of the world, not through the law, but through the righteousness of faith. Then in **verse 15** he explains this, the law worketh wrath: for where no law is, there is no transgression." This is confirmed by John in 1 **John 3:4,** where he defines sin, "Whosoever committeth sin transgresseth the law: for ***sin*** is the ***transgression*** of the

law." If there is no law, if it has done away as many teach, then there can be no sin, and we know how ridiculous this is.

It is of interest to me to note in **2 peter 2:19,** (and I believe this refers to apostate preachers who promise their parishioners),"While they promise them liberty, they themselves are the servants of corruption: for of whom a man is overcome, of the same is he brought in bondage (slavery) ." This is exactly what the Zionist World Order is attempting to do to Christians everywhere. He goes on to say in **verse 20-23** - "For if after they have escaped the pollution's of the world through the knowledge of the Lord and Saviour Jesus Christ, they are again entangled therein, and overcome, the latter end worse with them than the beginning. For it had been better for them not to have known the way of righteousness, than, after they have known it, to turn from the holy commandment delivered unto them. But it is happened unto them according to the true proverb, ***The dog is turned to his own vomit again;*** and the sow that was washed to her wallowing in the mire."

To those of you who have been ***soft soaped*** in a Judeo-Christian church and may rest secure in your belief in the eternal security of the believer, no matter what you do, after you are saved, it might do you well to consider, the second witness of **Hebrews 6:4-6.** "For it is ***impossible*** for those who were once enlightened, and have tasted of the heavenly gift, and were made partakers of the Holy Ghost, And have tasted the good word of God, and the powers of the world to come, If they shall fall away, to renew them again unto repentance; seeing they crucify to themselves the Son of God afresh, and put Him to open shame." I will not comment on this truth, other than to say that backsliding, is much more serious than most churches teach.

I do not believe these verses say that these people have been truly saved, but that they have known the truth, and deliberately turned their backs on it. I have known of Christian pastors, who have apparently been faithful to God for years, who suddenly for no discernible reason, have turned their backs on Him, and have ended their lives as ***discarded drunken bums or dope addicts.*** Our salvation is not something to mess around with.

Could this apply to the many people in the church world, who know that the anti-Christ's of Judaism are not God's true Israel, yet they persist on honoring them as such?

Notice the clever play on words, in this Epistle, **where** in at lest 24 different occasions, the Apostle Peter refers to the enemies of Christ as ***they.*** In the New Testament, Christians are always referred to as ***we*** or us. This I believe, is one of the keys to correct study of the New Testament.

There is little doubt that the enemies of Christ, Peter refers to were either Talmudic Jews, who then as now are Christ's worst enemies, or it could refer to ***traitors*** in the ranks of the church, and unfortunately there have been many of these during our 2,000 years of history. These are dangerous, and some times more so, then the enemies themselves, for they look like us, and speak the same Christian language, while in the words of Jesus, they are actually ***wolves in sheep's clothing,*** who have infiltered the flock to destroy it. In **Matthew 7:15** the Master in His Sermon on the Mount warned: "Beware of false prophets (preachers), which come to you in sheep's clothing (disguised as Christians), but inwardly they are ravening wolves." Or as Brother Richard Hoskins might say: "Wolves eat sheep, you know! That is their nature."

The Prophet Micah spoke of these same wolves in **Micah 3:2,3** as those, "Who hate the good, and love the evil; who pluck off their (Israel's) skin from off them, and their flesh from off their bones; Who also eat the flesh of my people (Israel)..." We can see this characteristic in the Ahab and Jezebel who now live in the White House, and rule the people.

The Prophet Jeremiah warned us of these false prophets in **Jeremiah 23:16,17 - "...**ith ken not unto the words of the prophets (preachers) that prophesy (preach) unto you: they make you vain (Hebrew **HABAL,** meaning: "to lead astray"): they speak **a** vision of their own heart, and not out of the mouth of the Lord. They say still unto them that despise Me, The Lord hath said, Ye shall have peace; and they say into every one that walketh after the imagination of his own heart, No evil shall

come upon you." I can still hear Oral Roberts as he pontificated on TV: "Something good is going to happen to you today!" (If you send me your tithes, of course.) How many times have you heard TV preachers calling America to repentance as Jesus did when He said, "Except ye repent, ye shall all likewise perish!" **(Luke 13:3,5)** The modern church does not like this message of repentance, any more now, than the Jews of Jesus' time did. They killed Him, because they could not stand up under the ***searchlight of God's truth,*** which He presented.

Isn't this what happened in the case of the nominal Christian woman, who responded to my message of warning by saying, "Colonel Mohr, I believe all that you have told us about Communism, and it's terrible, however I'm born again you know, and I don't have to worry about things like that, for Jesus is coming back to ***Rapture*** us Christians away before it gets all that bad!" You talk about being wrapped up in a sheet of self righteousness, that old girl was wrapped up in a shroud.

The false prophet who had been teaching this woman in her church had led her into a state of ***false security,*** by telling her "No evil will come upon you. You are a Christian. Jesus won't let anything bad like that happen to you." Yet he never bothered to explain why millions of Christians down through the years, have suffered and died for their Lord, when they had done much more for Him that this ***foxhole dweller*** had ever thought of doing. Her pastor, by his false teaching had turned a potential soldier of Jesus Christ, from an asset in the Kingdom, to ***worthless salt*** that was worth nothing in the Kingdom!

Jesus explicitly warned His disciples to expect these false teachers. **Mark 13:22,23** He said, "For false Christ's and false prophets shall rise, and shall shew signs and wonders (test those who like Benny Hinn claim the power to heal), to seduce, if it were possible, even the ***elect.*** But take heed: behold, I have foretold you all things."

The Apostle Paul in **2 Timothy 3:5,** defines these false teachers as, "Having **a** form of godliness, but denying the power thereof: from such turn away." In **verse 7** of the same chapter he further says that they are, "Ever learning, and never able to come to the knowledge of the truth." It appears that we have an over supply of these ***educated idiots,*** in our government, and our education system, and sadly enough, in the church. Someone has said that these individuals are "educated beyontongeir capacity to understand." Yet these are the men and women who govern America. They seem posed with a perverse spirit which will not allow them to seek the truth, and because they have a string of degrees behind their name, they consider themselves to be the elite, who know what is good for this country, even when it goes against God's Law. In **Isaiah 56:10,11** God said of the leaders of ancient Israel, "His watchmen are blind: they are all ignorant, they are dumb (mute) dogs, they cannot bark (warn people of the danger we face); sleeping, lying down, loving to slumber. Yea, they are greedy dogs which can never have enough, and they are shepherds that cannot understand: they all look to their own way, every one for his gain,..."

So remember that just because a man has a D.D. behind his name, doesn't mean he is doing God's will, it just might mean ***DUMB DOG,*** rather than Doctor of Divinity.

If you will observe closely, you will find that most of the problems in this country come from over educated men who refuse to obey God, or even consider Him, and set themselves up as all knowing counselors. Instead of what's right their motives seems to be "What's in it for me?!" This is an idea that has been instilled by all consuming Jewish motive of "the gelts the thing!" (that the only important thing in life is what you can get for yourself!) This of course, is diametrically opposed to what our Savior taught, when He told His disciples, "...he that is greatest among you shall be your servant. And whosoever shall exalt himself shall be abased; and he that shall humble himself (before God) shall be exalted." **(Matthew 23:11,12)** This is God's way, but most certainly not that followed by the Babylonian System.

Referring once again to the Rosenthal Document, page 12, he said, "In regard to the moral value of the Jews' religious teaching there exist quite exhaustive studies that show the kind of religion that we have in a light that makes it look uncanny to the Aryan (White Adamic) mind. We are the best

example of the kind of product which religious training evolves. Our life is of this world only and our mentality is as foreign to the true spirit of Christianity as our character was to the Founder of this new creed 2,000 years ago. The founder of Christianity made no secret as to His estimation of the Jews and the fact that He was not one of us. When He found it necessary He drove us out of the temple of God, because then, as always, we used religion as a means of advancing our commercial interest.

"But at this time, we manage to nail Jesus to the cross for His attitude towards us; whereas, the modern Christian enter into party politics and in order to win elections, they debase themselves by begging for Jewish votes. (Hillary Clinton is a good modern example of this.) They even enter into political intrigues with us against the interests of their nation.

"We can live among other nations and states only as long as we succeed in persuading them that the Jews are not distinct people, but are representative of a religious faith who, therefore, constitute a ***religious community,*** though this be of a peculiar character. As a matter of fact, this is the greatest of our falsehoods.

"We are obliged to conceal our own peculiar character and mode of life so that we will be allowed to continue our existence as a parasite among the nations."

Rosenthal then went on in page 15 to say, "There is no such thing as the silent majority because we control them. The only thing that exists is an unthinking majority and unthinking they will remain, as long as the escape from our rigorous service is the opiate of our entertainment industry. By controlling industry we have become the task masters and the people the slaves. When the pressure of daily toil builds to an explosive degree, we have provided the safety valve of momentary pleasure. The television and movie industries furnish the necessary temporary distraction. These programs are carefully designed to appeal to the sensuous emotions, never to the logical mind. Because of this, the people are programmed to respond according to our dictates, not according to reason. Silent they never are; unthinking they will remain.

"We castrated society through fear and intimidation. It's manhood exists only with a feminine outward appearance. Being so neutered, the populace has become docile and easily ruled. As all geldings in nature, their thoughts are not involved with the concerns of the future and their posterity, but only with the present toil and the next meal." (UNQ)

God says to these reprobate leaders, whether in politics or the church: "As many as I love, I rebuke and chasten: be zealous therefore, and repent." **(Revelations 3:19)**

God is calling our national leaders, both in politics and the church, to ***repent.*** Of their willful deceit, God says in **Hosea 12:7,8 -** "He is a merchant, the balances are in his hand: he loveth to oppress. And Ephraim (Israel) said, "Yet I am become rich, I have found me out substance: in all my labors they shall find none iniquity (wrong doing) in me that were sin.

This is the cry of the modern ***witch doctors,*** who control America. Yet we see scandal after scandal unfold, where high executives in our government, and well known religious leaders are involved in wicked practices. Although our God is longsuffering, there will come an end to His patience one of these days, as He will not continue to forgive wrong when it is done deliberately.

Today a discerning individual can see Isaiah's prophesy being fulfilled, in all the White nations of Christendom that make up ***true Israel.*** **Isaiah 59:12-14** "For our transgressions are multiplied before thee, and our sins testify (cry) against us: for our transgressions are with us; and as for our iniquities (Hebrew **AVON,** meaning: "Moral faults; breaking of God's Law, see: 1 **John 3:4), we** know them; In transgressing and lying against the Lord, and departing (turning away) from our God, speaking oppression (Hebrew **PASHA,** meaning: "to break away from authority; to offend; to rebel") and revolt, conceiving and uttering from the heart words of falsehood. And judgment (Hebrew **MISPAH** meaning: "A verdict or formal decree; to be judged") is turned away backward, and justice standeth afar off: for truth is fallen in the street, and equity (Hebrew, **NKACAH,**

meaning: "integrity; unrightness") cannot enter."

Verse 15 - "Yea, truth faileth (Hebrew ADAR, meaning: "to be found wanting); and he that departeth from evil maketh himself a prey: and the Lord saw it, and it displeased him that there was no judgment (justice)."

When we paraphrase this passage, using the Hebrew meanings of the English words, it reads something like this: "For our (Israel's) sins are increased before God, and they shout against us; for our moral failures and our breaking of God's Law, we know about them. In revolt and breaking away from God's authority, and lying against our God, we have deceitfully gotten riches, and have revolted, thinking and uttering from our hearts, words of falsehood, and the Divine Decree of God, is turned backwards; and justice stands afar off, for ***truth*** has fallen in our streets, and uprightness is not to be found, and he that departs from it and commits himself, becomes the prey of evil men, and the Lord saw it, and was displeased that there was no justice."

What a terrible indictment this is, both for our Israel people then, and now. We look at government crimes such as robbing our people of their rightful property through unconstitutional law; the crime of government murders at Ruby Ridge, and Waco, where the government murderers were held up by the media as heroes. We see the deliberate destruction of our ***God given rightsj*** such as those contained in the Bill of Rights and as we see them we can understand Isaiah's words in **Isaiah 59:16** - "And He (God) saw that there **was** no man, **and** wondered that there was no intercessor... (Hebrew **PAGR,** meaning: "to come between; to cause to entreat") : Where are those who plead the cause of the murdered aborted babies of America?

It was at this point that the prophet points forward to the time when a ***Redeemer*** would come. Listen to His words in the last part of **verse 16** and **17 "...**therefore His arm brought salvation unto him (Israel); and His (God's) righteousness, it sustained him (Israel). For He (Jesus) put on righteousness as a breastplate, and an helmet of salvation upon His head; and He put on the garments of vengeance for clothing, and was clad with zeal as a cloak." In **verse 21 we** see the outcome of this - "As for Me, this is My covenant with them (Israel), saith the Lord; My spirit that is upon thee (Israel), and My words which I have put in thy mouth, shall not depart out of thy mouth, nor out of the mouth of thy seed, nor out of the mouth of thy seed's seed (offspring), saith the Lord, from henceforth and forever."

This is God's promise to our Israelite people if, **<u>big IF</u>, we** will obey Him. He has already given us a workable ***Formula for Survival*** in **2 chronicles 7:14,** if we are willing to give it more than the mere lip service it is receiving now.

The marvelous book of **Isaiah** is full of the promises for our people Israel if, we obey God, and dire warnings if we refuse and rebel. Isaiah is unique in this manner. He began his ministry in the year King Uzziah died about 740 B.C. and continued as a prophet in Jerusalem, the capital of the southern Kingdom during the reign of Jothan, Ahaz, and Hezekiah. According to tradition, he was martyred during the reign of the wicked King Manasseh, the son of King Hezekiah, about 680 B.C.

As Isaiah grew to manhood, the Kingdom of Judah (not known as Jews at this time) emerged and opposed the advance of Assyria. During this same period, the Kingdom of Israel, with it's capital in Samaria, declined in power due to intense internal struggles and revolution. After King Uzziah died, the Assyrians conquered Damascus in 732 B.C., and Samaria in 722 B.C. Both northern Israel and Syria became Assyrian provinces.

While the Kingdom of Israel was being subdued, Ahaz, king of Judah, ignored repeated warnings of Isaiah and introduced idol worship into the temple in Jerusalem. In the years that followed, Assyrian kings marched their armies southward and threatened to end the Davidic dynasty in Judea, about 701 B.C. (see **Isaiah chapters 36-39).**

Isaiah gave repeated warnings to Judah, that they and Jerusalem would be judged and destroyed because of their wickedness, but like many modern Christians, America in particular, these

messages for the most part were ignored by the Judean rulers and people alike.

You will find, all though Isaiah's messages of doom, God's offered assurance to those of His people who would put their trust in Him and remain obedient. His prophecy was that God would ultimately restore the Davidic Kingdom, and that His son, the Lord Jesus Christ would reign over it. **(Isaiah 9:6,7)**

Chapters 40-56 of Isaiah are regarded by many Christian scholars as having been written by several unknown authors during the period 550 B.C. and on. This premise is based on the fact that Cyrus King of Persia, mentioned in Chapters 44 and 45, was the king who allowed the Judaites to return from exile to rebuild the temple in Jerusalem.

At this time the Judaites were still not known as Jews, although they had acquired some heathen occult practices which they added to the Hebrew religion and began a mammoth religious book called the Babylonian Talmud in 550 B.C. which was not completed until a thousand years later in the Jewish seminary in Alexandria, Egypt about 550 A.D.,. It was complete perversion of the Hebrew religion and the teachings of Moses, and became known as the ***tradition of the elders,*** which Jesus fought against during most of His earthly ministry. It is still the religious life blood of modern Jewry.

The word JEW cannot be found in early editions. of the Bible, and was not used in the original 1611 King James version, as the name JEW was unknown in the English. language until late in the 18th Century.

The scholars who accept predictions as part of a prophets God given message to mankind find no reason to deny Isaiah's authorship of the entire book.

Looking at history from Isaiah's perspective, the destruction of Jerusalem was inevitable, as he predicted the Babylonian exile of Judah as early as chapter 39.

His message of hope in chapter 53, is that although Israel had failed as God's servant, a righteous servant was promised who through His suffering, would provide salvation for His people and for many others.

Isaiah's final prophesy is that there will be in the ***end times,*** a restoration of the Davidic Kingdom, peopled by God fearing, righteous people, who will participate in the everlasting blessings of the new heaven and the new earth. This kingdom will be on earth, as Christ taught us to pray for. **(Matthew 6:10; Revelation 21:23)**

It is exciting to see that this salvation is extended to all those who are called by God, and who accept Christ ***as*** King, and that God's house will be a ***House of prayer for all nations,*** not just Israel. **(Isaiah 56:1-8)** This will shoot down the ***RACIAL SUPREMACISTS*** in Identity, who falsely. teach that only Israelites can be saved, and join the Kingdom. It still does not give Israelites the authority to intermarry outside of the Adamic race.

Isaiah's prophesy is of an ultimately restored Davidic Kingdom, peopled by God fearing, righteous folk, who will participate in the everlasting blessings of the new heaven and new earth, and again let me remind you it will be on this earth, not some heavenly realm, as so many teach.

In the pages that follow, we will explore some of Isaiah's predictions for the future, and attempt to connect them with what is taking place on earth during this present Christian Era. We will concentrate mostly on the United States and Canada, which are essentially an Israelite people and which can both rightly be referred to as America.

It is significant, I believe, to note that the word JEW is not used once in this interesting book, with two exceptions in **Isaiah 36:11, 13,** where it speaks of the Jews' language as being that of the Jerusalem people of this period (712 B.C.)

Strong's Concordance indicates that this word should rightly have been **JEHUDAITE;** or a "descendant of Jehudah (Judah)." The term Jew was not used for these people until after they

returned from Babylonian captivity, with a profoundly different, contaminated religious doctrine.

Isaiah begins his book with picturesque language, when in **chapter 1 verse 2,** he describes Judah and Jerusalem, as "children God has nourished and brought up, who have rebelled against Him."

In **verse 3,** he compares them to an ox, who knows his owners crib (feed trough), "but Israel doth not know, my people doth not consider."

He calls Israel in **verse 4:** "Ah sinful nation, a people laden with iniquity, a seed of evildoers, children that are corrupters: they have forsaken the Lord, they have provoked the Holy One of Israel unto anger, they are gone away backwards." Then he asks the question: "Why should ye be stricken any more? ye will revolt more and more: the whole head is sick, and the whole heart is faint. From the sole of the foot even unto the head there is no soundness (health) in it; but wounds, and bruises, and putrefying (stinking) sores: they have not closed (dressed), neither mollified (treated) with ointment." This is a perfect word picture today of the so called Christian Israelite nations of the United States and Canada, where even so called Christians are known to spit in God's face, in blasphemy.

In **Isaiah 29:13,14** the prophet gives the result of these actions: " . Forasmuch as this people draw near Me with their mouth (every Sunday in church), and with their lips do honour Me, but have removed their heart far from Me, and their fear (Hebrew **YIR'AH** meaning: "reverence") toward Me is taught by the precept (Hebrew **TSAU,** meaning: "injunctions; commandments of men) of men: Therefore (because of this), behold, I will proceed to do a marvelous (Hebrew PALA, meaning: "to d schnguish; to do marvelously") work among this people, even a marvelous work and a wonder: for the wisdom (Hebrew CHAKMAH, meaning: "wisdom in a good sense; skill") of their wise men (educated men) shall perish (Hebrew ABAD, meaning. wandering away; be destroyed; be lost; be void") and the understanding (Hebrew **BIYNAH,** meaning: "perfect understanding; wisdom;") of their prudent (Hebrew **BIYB,** meaning: "to be cunning; have intelligence; to instruct or teach") men shall hid." I don't believe we would be doing this verse a disservice by applying it to America and Canada: "Why will you Christian Israelites be punished anymore? Yet you continue in rebellion to your God, over and over again; your whole body is sick from your political leaders to your church teachers. There is no wholesomeness to be found in your countries. There are only wounds caused by enemy action and your ***disobedience*** There are black and blue bruises and freshly made, dripping wounds. These have not b,

For years now, our government has refused to defend our own borders, while acting as a policeman worldwide. As a result, our borders have been overrun by hordes of foreigners, some to be sure have sought freedom from oppression, but many more, according to their actions, look to Uncle Sam for a *free handout* without contributing anything to the well being of our nations, and do us much damage. These strangers are quite literally devouring our countries, many times with the approval of our church leaders.

We literally reached the point described in chapter 1:9 in Isaiah - "Except the Lord of hosts (of Israel) had left unto us a very small remnant (Hebrew SARIYD, meaning: "survivors; left alive"), we should have been as Sodom, and we should have been like unto Gomorrah."

In Lamentations 3:22, we read: "It is of the Lord's mercies that we are not consumed (eaten up), because his compassion's fail not."

As Paul said in Romans 9:29, quoting from Isaiah 1:9 - "Except the Lord of Sabaoth had left us a seed, we had been as Sodoma, and been made like unto Gomorrha." Utterly ruined and incapable of being rebuilt.

The White Adamic Israelite is fast becoming a thing of the past, as we have allowed ourselves to be overrun by aliens, who have intermarried with our sons and daughters, contrary to God's law. This has always been a promotion of Judaism, for it is one of the easiest ways to *destroy White Christian civilization* .

From a large majority who once controlled this Christian Republic, we have been degraded into a multicultural monstrosity, a hodge-podge of alien, anti-God cultures. In the past seventy five years, we have seen this Christian Republic turned into a Socialist Welfare State with all it's accompanying evils. Now we are ripe to be taken over by the Zionist New World Order, and become part of their International Slave Plantation. In this state, government will become an insatiable monster that destroys, rather than one that serves.

Why did this happen? It was because of White Israelite disobedience. We can look for *scape goats,* and find them in the Jews, and the anti-God aliens, but they are not the cause of our problems, they are the effect of our disobedience. (Study Deuteronomy 28 and see for yourself.) We will make little headway against this evil that has engulfed us, until we recognize our responsibility before God and learn the lesson of obedience!

In Isaiah 1:10, God speaks tb the rulers of ancient Israel, speaking of them as Sodom and Gomorrah. We know that Isaiah was not referring to these ancient cities which had been super naturally destroyed by God some 1140 years earlier. He was using them as examples. These cities were destroyed primarily because of their wicked sin of Sodomy, which God hates, and which is now being condoned by some of our Christian churches. Recently Jerry Falwell, welcomed a Sodomite preacher, and several hundred of his followers to a meeting of *reconciliation* in his Liberty Baptist Church. (It is impossible for a Christian to be reconciled to any sin!)

In this section of chapter one, we see God's displeasure at the sacrifices Israel was offering to Him, He said in verse 11-14 " . . . I am full (Hebrew SABEA, meaning: "had enough of; satiated") of the burnt offerings of rams, and the fat of fed beasts; and I delight not in the blood of bullocks or of lambs, or of he goats. When ye come to appear before Me, who hath required at your hand, to tread (Hebrew RANORAC, meaning: "esalkj in (abusively); trample; thread down") my courts? Bring no more vain oblations (Hebrew MINCHAH, meaning: "bloodless sacrificial offerings"); incense is an abomination unto Me; the new moons and sabbaths, the calling of assemblies, I cannot away with; it is iniquity, even the solemn meeting. Your new moons and your appointed feasts (possibly our Christmas and Easter celebrations) my soul hateth: they are a trouble unto Me; I weary to bear them."

In other words God is saying to Israel, then and now: "I'm utterly disgusted with the feast days you set up, and at your pretense of worship; I will remove them, for they are sin, even your solemn meetings. My soul hateth these days you have set aside to pleasure yourselves. I am disgusted with them. I will take them away."

Everywhere we look in Christendom, we see convocations and meetings being called for many purposes. They are supposed to be worship of our God, and the edification of His people. Many of them have become mere religious vacations; in modern palaces, occasions in which we have *fun.* The Scriptures say that God looks with loathing on such events.

Chapter 1:15 of Isaiah, tells us that when our people pray from a sinful heart (with unforgiven sins in their life) God will not even listen to us. So vast prayer convocations mean nothing unless our people first get into an obedient relationship with the Master. Most Christians feel that when they get into trouble, all they need to do is pray and God will hear and handle their problems. This is not necessarily so, for there are certain conditions we must meet first.

I believe in prayer. My sainted grandfather used to say: "There is more wrought by prayer than this old world dreams of for the whole world is bound about the feet of God, with golden chains of prayer." I believe this! I also know that we must meet certain conditions, before God will hear and answer us.

Isaiah furthers this truth in Isaiah 59:2.

Many of us believe and have experienced James 5:16 -"The effectual fervent prayer of a

righteous man availeth much." It works, but we must remember to keep the *contact points between God and us clean,* so that the power of His Holy Spirit can flood in and control our lives. Unforgiven sin deadens this contact, and makes prayer useless.

In 1 Peter 3:12, we read: "For the eyes of the Lord are over the righteous, and His ears are open unto their prayers: but the face of the Lord is against them that do evil." If you have unforgiven sin in your life, you do evil. That's why we have been given the safety valve of 1 John 1:9 - "If we confess our *sins,* He is faithful and just to forgive us our sins, and to cleanse us from all unrighteousness."

This cleansing does not come automatically, because we are Christian, we must ask for it.

James 4:2,3 says that, "...ye have not, because ye ask not. Ye ask, and receive not, because ye ask amiss (wrongly), that ye may consume it upon your lusts (longing for material things)."

I remember hearing an illustration many years ago that explains the truth of Isaiah 1:15; 59:2. Many of you can remember back to the days of the electric street car. They ran on an overhead cable above the street, that supplied the electricity needed. The contact point was a long pole, with a copper wheel on the end, that contacted the power supply and led it into the motor. Sometimes when the maintenance man had done a poor job, the copper wheel became corroded. The power could not reach the motor, and the streetcar went by *fits and starts,* especially with a full load.

The same is true in the spiritual life of a Christian. If we allow sin of any kind to corrode our contact with God through the Holy Spirit (who is the <u>POWER LINE</u> for Christian living), our contact with God is cut off, and He will not even listen to us.

Is your spiritual life in a proper relationship with God, so that He will listen to your petitions?

What is the answer to this personal, and thus national problem? Verses 16-20, Isaiah 1, gives us the answer. "Wash you, make you clean; put away evil (sin) of your doings from before mine eyes; cease to do evil;"

The Prophet Jeremiah in Jeremiah 23:22 says: "But if they (the pastors of the land) stood in my counsel, and had caused my people to hear my words, then they should have turned them from their evil way, and from the evil of their doings." This hasn't happened in the United States and Canada and is a terrible indictment on the quality of their preaching.

Continuing on Isaiah 1:17 - "Learn to do well (righteously); seek judgment, relieve the oppressed, judge the fatherless, plead with the widow. Verse 18 - Come now, and let us reason together, saith the Lord: though your sins be as scarlet, they shall be as white as snow; though they be red like crimson, they shall be as wool. <u>NOTICE CLOSELY NOW</u> what verse 19, 20 says, "If ye be willing and *obedient,* ye shall eat the good of the land: But if ye *refuse* and *rebel,* ye shall be devoured with the sword (war): for the mouth of the Lord hath spoken it."

There's your answer!

We further read of this cleansing in Psalm 51:7, where the Psalmist says, "purge me with hyssop (a cleansing element like soap), and I shall be clean: wash me, and I shall be whiter than snow."

When the Pharisee Saul, had his miraculous meeting with the risen Christ on the road to Damascus, he was in the city praying in a blind state, when a Christian named Ananias was told by God to go to a certain house on a street called Straight, where Saul of Tarsus had seen in a vision, a man named Ananias, who had put his hand on him and recovered his sight. Quite naturally Ananias replied, "Lord don't you know who this Saul is? How much evil he has done to our people? He is here with authority from the High Priests to arrest all those which call on Thy name." God told him, "Go thy way: for he is a chosen vessel unto Me, to bear My name before the Gentiles, and Kings, and the children of Israel:" Then in verse 17,18

it says that when Ananias laid hands on Saul, that the scales fell from his eyes, and he arose and was baptized. No doubt for the remission of sins, as told in Acts 2:38.

In Revelations 7:14, the Apostle John saw a great multitude in white robes before the throne of God, and when he asked his guiding angel who these were he was told: "...Sir, thou knowest. And he said to me, These are they which came out of great tribulation (no Rapture here), and have washed their robes, and made them white in the blood of the Lamb."

Remember verse 19 of Isaiah 1, gives the condition for this cleansing and is most important - *obedience*

My friends, we have a *choice to make! obedience or destruction!* This is why I continue to hammer away at the theme: *Obedience to God and the discipline it brings must come before we can have victory!*

Isaiah 1:23 explains the national condition of Israel as we can see today: "Thy princes (political leaders) are rebellious, companions of thieves: every one loveth gifts, and followeth after rewards (bribes): they judge not the fatherless, neither doth the cause of the widow come unto them."

Verse 24, speaks of a time of national cleansing, where God will get rid of His enemies (Luke 19:27). Could this be one reason the Edomites are flocking to Palestine?

In the next few verse, chapter 1: 25-27 tells how this purging will take place: "And I (God) will turn my hand upon thee, and purely purge away thy dross, and take away all thy tin (alloy): And I (God) will restore thy judges (political rulers) as at the first, and thy counselors as at the beginning: afterward (after this cleansing) thou shalt be called, *The city of righteousness, the faithful city* Zion shall be redeemed with judgment, and her converts with righteousness." (The ZION referred to here is the Zion of 2 Samuel 7:10, it is not the anti-Christ country of the Israelites now in Palestine.)

We know this could not refer to Jewish rulers, for Jesus told the leaders in Matthew 23:15 - "...for ye compass (go over) sea and land to make one proselyte (convert), and when he is made, ye make twofold more the child of hell than yourselves." The converts of New Zion will be righteous not *children of the devil*

Isaiah 1:28 gives a further warning to those who refuse to obey God: "And destruction of the transgressors and of the sinners shall be together, and they that forsake the Lord shall be consumed."

Intellectual men may mock and laugh these words to scorn, but they will take place, for the *mouth of God has spoken it,* His law of Harvest is still in effect, even for those of us who call ourselves Christian: "Be not deceived; God is not mocked: for whatsoever a man/woman soweth, that shall he also reap. For he/she that soweth to his/her flesh (material things) shall of the flesh reap corruption; but he/she that soweth to the Spirit shall of the Spirit reap life everlasting." (Galatians 6:7,8) We can't avoid this, no matter who we are, or what position we hold in life. It applies to the Pope, Billy Graham, the richest man in the world, President Clinton, or the drunken bum in the gutter.

In Isaiah 2 we see a prophesy that has been at least partially filled in the New Zion of North America. Verse 2 says, "And it shall come to pass in the last days (of this age), that the mountain (in the Bible the word mountain often refers to a nation or people) of the Lord's house shall be established (prepared) in the top (capital) of the mountains (nation), and shall be exalted above the hills; and all nations shall flow unto it."

No nation anywhere on earth, or in the world's history at anytime has fulfilled this prophesy like the United States and Canada. The Jews in Palestine have not come close to fulfilling this prophesy.

Verse 3 - "And many (millions of) people shall go and say, Come ye, and let us go to the mountain (nation) of the Lord, to the house of the God of Jacob; and He shall teach us His ways, and we will walk in His paths: for out of (New) Zion shall go forth the (His) law, and the word of the Lord from Jerusalem.

That day has already begun, my Christian Identity friends, and will finally arrive when His people learn to follow Him ***in obedience***

In that day, which some of us may live to ***see,*** **verse 4 says,** "He shall judge among the nations, and shall rebuke (Hebrew **YAKOCH,** meaning: correct; convince; chasten; reprove") many people: and they (the people who accept correction) shall beat their swords into plowshares, and their spears into pruninghooks: nation shall not lift up sword against nation, neither shall they learn war any more." You want peace? This is how it will come, through obedience to God, not through the **United Nations**

This indicates to me, that many other nations will come under the control and leadership of our King. **Verse** 5 says, "O house of Jacob, come ye (true Israel), and let us walk in the light (truth) of the Lord!" **AMEN!**

Chapter 2 verse 6, has a serious meaning for true Israel, "Therefore (because of this) thou (God) hast forsaken thy people the house of Jacob (true Israel), because they replenished (Hebrew MALA, meaning: "To be filled with; gotten together") from the east, and are soothsayers (Hebrew '**ANON,** meaning: "enchanters; sorcerers; followers of the occult") like the Philistines (Canaanites) and they please themselves in the children of strangers." (Practice miscegenation.)

Most of our so called Judeo-Christian churches have become Turco-Hindu churches, with many Roman Catholics following a smattering of Hinduism. (This is the heathen Hindu philosophy of ***Fatherhood of God for all men,*** regardless of what they do with His Son, and therefore the brotherhood of all men.) This is taught nowhere in Scripture.

In the "**HOSKINS REPORT**" of January 3, 1994, Richard Hoskins, P.O. Box 997, Lynchburg, VA 24505, a student of Hinduism says, "Many Christians are unaware that Buddha himself, Siddharta, the son of Suddodhoma, has found his way into Roman Catholic martyrdom as a saint of the Catholic Church it was Professor Max Mueller, who first pointed out the strange fact almost incredible if it were not for the completeness of the proof - that Gatama the Buddha under the name of St. Josaphat, is now officially recognized, honored, and worshiped throughout the whole of Catholicism, as a Christian saint.

He goes on to point out that the Papacy of the Roman Catholic church from it's very beginning has been accepted by strangers.

They have been Edomite (Jewish) Popes, and many Christianized Tartar Popes, who descended from the Tartar Invaders of southern Italy, and the present Pope who is a Christianized Jewish Slav. He states, with proof, that the Roman Catholic church does

many things prohibited to Christians, but permitted by Hinduism, including the operation of banks at usury, and forbidding priests to marry. The results can be seen in front page coverage of the pedophiles and lechers who have been exposed in the priesthood, and who bring disgrace to the name of Jesus Christ.

Of this practice, the Apostle Paul says in 1 **Timothy 4:1-3 -**"Now the Spirit speaketh expressly (clearly), that in the latter times (of this age) some shall depart from the faith, giving heed to seducing spirits and doctrines of devils (Hinduism?); Speaking lies in hypocrisy; having their conscience seared with a hot iron; Forbidding to marry, and commanding to abstain from meats, which God hath created to be received with thanksgiving of them which believe and know the truth."

To see how Jesus was accepted as a Hindu deity and how it has effected the church, I suggest you write for this issue of Hoskins Report, you will be shocked by what you learn. (May I suggest you send something to at least cover the cost of printing and handling, since none of our writers are subsidized by the Jews or are wealth men.)

Even their so called Star of David, which is on the Israeli flag, was never used by King David. It is an ancient Hindu symbol and many of the Talmudic teachings, such as Jewish reluctance to put murders, rapists, and Sodomites to death, parrot Hindu teachings.

According to "**CHRISTIAN NEWS",** Volume 30, Number 20, May 18, 1992 (RR 1, Box 30-9A, New Haven, MO 63068), "Surveys show that most Protestants... along with the Pope and liberal Roman Catholics... maintain that members of other religions, such as Islam and Judaism, all worship the same God Christians worship, but call Him different names."

Dr. Billy Graham has publicly stated this in regard to the Jews and Muslims, in the face of the clear declaration of Jesus Christ in **John 14:6 -** "No man cometh unto the Father, but by Me." (Billy preached this for years, before he became Hinduized.)

We have secret Hindu priests in our Christian churches, and in our government, according to Richard Hoskins, and I believe him on the basis of proof he has presented.

The ***integration*** is necessary for a peaceful society, when God has placed a curse on it and history proves that it won't work.

Jesus said in **Matthew 7:16** "**Ye** shall know them by their fruits." The Word of God says NO! While the Hindu/Judeo/Christians says, "It's all right as long as it's done in brotherly love, since God is the Father of all, and all men are brothers."

The Bible clearly says, "But as many as receive Him (Jesus Christ), to them gave He (God) the power, to become the sons of God, even to them that believe on His name." These are my ***brothers and sisters,*** not some one who rejects Him and spits when His name is mentioned.

There is no way you can become my spiritual brother or sister, until you have had this soul changing experience, no matter what Billy Graham ot the Pope says to the contrary. I place my faith in the Word of God, not in what man says.

In order to be <u>free</u>, Christians must: "Come ye out from among them, (heathen aliens) and be separate, saith the Lord and I (God) will receive you, and will be a Father unto you, and

ye shall be my (God's) sons and daughters, saith the Lord Almighty." (2 **Corinthians 6:17,1B)** I base my argument on this truth.

Isaiah 13, speaks of a time when people will be deported, whether they want it or not. **Note verse 14 & 15** which speaks about the time when God's anger will descend on the wicked: they shall every man turn to his own people (no miscegenation then, no race mixing as has become so popular now), and flee every one into his own land. Every one that is found shall be thrust through; and every one that is joined unto them shall fall by the sword." The Word says this will take place and it may not set well with Christian liberals, but this is not Jack Mohr's idea but God's.

That day is coming, my skeptical friend, as surely as day follows night and there is nothing you, or I, or anyone on earth can do to stop it, since it is ordained by Almighty God Himself. The question is, as the old hymn says: "Are ***you*** **ready for** ***that day to come?"***

In chapter **3:4,5** we see a situation which has already taken place in this country. God says that because of our ***disobedience,*** "I will give children to be your princes (rulers), and babes shall rule over them, and the people shall be oppressed, everyone by another, and everyone by his neighbor, and the child shall behave himself proudly against the ancient, and the base against the honorable." **Verse 12** says, " As for my people (Israel), children are their oppressors (Hebrew - **NAGAS,** meaning: "to harass; tyrannize"), and women rule over them. Oh my people, they that lead thee cause thee to err (sin), and destroy the way of thy paths." If you can't see this happening, it is because you have deliberately closed your eyes to the truth.

As the ***Feminist Movement*** has grown, the offensiveness of our youth has increased, since they have little or no parental restraint. If a woman like Hillary Rodham Clinton ever becomes President of the United States, God have mercy on us! Look at the harridans President Clinton has appointed to rule in his Administration, such as Attorney General Janet Reno, who is anti Christian and is far ***out*** in support of sins such as Sodomy. "They that lead thee, cause thee to sin!"

Because the ***ancients of America*** men in my age group, let down our guard and allowed this deterioration to take place, God will enter into judgment against us. He goes on in **verse 15** of chapter 3 to say, "What mean ye that ye beat my people to pieces, and grind the faces of the poor? saith the Lord God of hosts."

My Christian friend, we have much to answer for because of our Christian apathy. Many of us have remained hidden in our comfortable spiritual foxholes, waiting for Jesus to Rapture us out of the mess that was caused by our neglect and it just doesn't work that way!

In **verse 16,** God speaks specifically to the women of Israel, and it is surely a message for our Israel women of this century, most of who have been kept in the dark by their pastors as to their Israel heritage, and their responsibility to God: "...Because the daughters of Zion (Israel, not Jews) are haughty (Hebrew, **GABAHH,** meaning: "exalted; lifted up; proud"), and walk with stretched forth necks and wanton eyes (see how many of our women dress deliberately to expose themselves to lecherous men, and this goes for many who call

themselves Christian), walking and mincing as they go, and making a tinkling with their feet:" Ankle bracelets, and even earrings on their breasts, navels, and intimate parts.

In other words, when women use, their attire, and ***body language*** to entice men to sin (and many dress designers are Sodomites who glory in destroying our women), you have only to look at the abbreviated swim suits, worn even by professing Christian women, which leaves very little to the imagination. schy have gone so far as having painted suits, that cover the naked body, while leaving it completely exposed. Mothers, don't expect your daughters to be modest, and morally decent, when you parade around the yard in a bikini, mowing the lawn.

Jesus said, that a man who looked on any woman to ***"lust after*** **her,** had already committed adultery with her in his heart." **(Matthew 5:28)** How many of you ***red blooded, (Christian men,*** can honestly say you have not been enticed by the near naked body of some pretty woman on a beach, or even on the street? This is how the enemy, almost 100% Jewish led, attempts to destroy our Christian women and the mother's of the children of our future. Look at TV and see for yourself!

If God were to speak verbally to our Israel women now, as He did in 760 B.C., His message might be the same, or perhaps even stronger. He said, to ancient Israelite women in **Isaiah 3:1T** "Therefore the lord will smite with a scab the crown of the head of the daughters of Zion, and the Lord will discover their secret parts." The Hebrew word for discover is ARAH, meaning: "to make bare; to make naked; uncover." The word parts in Hebrew is **GEZER,** meaning: "an intimate part of the body." I believe this refers to the fact that morally loose women contribute in large part to the sexual diseases such as syphilis and AIDS which are devastating America. These have increased by leaps and bounds, since the modern Women's Movement have told them, ***You've come a long way baby! Live with gusto!***

Inverse 18 of this same chapter it says, "In that day the Lord will take away the bravery (Hebrew, **TIPH'ARAH, meaning:** "beauty; glory; comeliness") of their tinkling ornaments about their feet,... The bonnets, and the ornaments of the legs, and the headbands,... the earrings, The rings, and nose jewels (now a days not only the nose but the other parts of the body). The changeable suits of apparel,... And it shall come to pass, that instead of sweet smell there shall be stink;... and instead of well set hair baldness; and burning (Hebrew **KEIY,** meaning: "brand or scar") instead of beauty. Thy men shall fall by the sword, and thy mighty in the war. And her gates shall lament and mourn; and she being desolate shall sit upon the ground." Look at the weeping faces of the woman in Kosovo and Russia on TV, and see your own faces.

Israelite women, especially those of you who may have been influenced by the godless ***Women's Liberation Movement,*** think about this. Is this what you want for yourselves and your loved ones?

Since the time of Eve, women have always been either a stabilizing influence on men, as they were designed by God to be their ***help mates,*** or they have aided in the destruction of men. They can, under enemy control, become a very dangerous tool in destroying Christian families.

Genesis. 2:20-24 indicates that a women will be happy, and fulfilled, she serves God as He designed her to be. She becomes miserable when she tries to ***wear the pants in the. family.*** These are not the ramblings of some ***chauvinist,*** but from the Word of God. When a man learns to love his wife as he does his own body **(Ephesians 5:28-31),** much of the competition between men and. women will become a thing .of the past.

In **Jeremiah 13:22** we. read, "And if thou say in thy heart, Wherefore come these things upon me? For the greatness of thine iniquity (sin) are thy skirts discovered, and thy heels made bare." In Hebrew the word for skirt is SHUWL, meaning: "to hang down; skirt." The word discovered is GALAH, meaning: "to denude; strip bare." In those days captives were usually stripped naked before they were led into captivity -

In **Isaiah 47:1-3,** we see the plight of captive women: "Come down, and sit in the dust, O virgin daughter... sit on the ground: (These verses refer specifically to those Israel women who are taken captive by the Babylonians and the Chaldeans, but are the plight of all captive women everywhere) . Take the millstones, and grind meal: (be slaves to the conquers)... make bare the leg, uncover the thigh... Thy nakedness shall be uncovered, yea, thy shame shall be seen

Is this what you want for your wives and daughters? It is what will happen if we become a conquered people who have turned their back on their God.

Verse 10 of chapter 47 says of these women who have gone into captivity, "For thou hast trusted in thy wickedness (disobedience to God): thou hast said, None seeth me. Thy wisdom and knowledge, it hath perverted (Hebrew word for perverted is SHUWB, meaning: "turned back to do evil") thee; and thou hast said in thine heart, I am, and none else beside me." In other words, "Only I, and my desires are important! Isn't that the stand of the Feminist Movement?

This is perversion which will destroy our women and the Vital part they play in the Christian family, if we are sucked in by the enemy propaganda.

Notice that these women were engaged in ***sorcery and enchantments.*** Much of the Women's Liberation Movement is built on occult principles. **47:12-14** - "Stand now with thine enchantments, and with the multitude of they sorceries, wherein thou hast laboured from thy youth; if so be thou shalt be able to profit, if so be thou mayest prevail. Thou art wearied in the multitude of thy counsels. Let now the astrologers, the stargazers, and the monthly prognosticators, stand up, and save thee from these things that shall come upon thee. Behold, they shall be as stubble; the fire shall burn them; they shall not deliver themselves from the power of the flame..." It appears that women are more susceptible to these wicked occult powers, than men and the truth for Israelite, men and women alike remain in ***obedience or destruction!*** You can't dabble in the occult in any way without incurring God's wrath! (Even simple things like a Ouija board, or the daily astrological readings.)

The entire book of Isaiah contains blessings from God for ***obedience,*** and dire curses and disaster for ***disobedience!*** This has not changed over the centuries. It is the same ***in true Israel*** today, as it was then, and is one of the major reasons many Christians refuse to accept the Identity message, they don't want the responsibility to God that goes with

knowing who they really are!

Isaiah parallels the message of Moses, given to Israel in **Deuteronomy 28,** some 700 years earlier. We are given a choice today: "Humbleness of heart (repentance), righteous prayers, seeking God's face, and turning from our wicked ways, to obey Him." (2 **Chronicles 7:14)** This alone will bring ***"healing*** to our land." There is on other plan that will work!

Our people today are headed into captivity, because we refuse to accept the knowledge that is given in God's Word. **Hosea 4:6** puts it this way, "My people (Israel) are destroyed for a lack of knowledge." The word ***knowledge*** in Hebrew is **DA'ATH** meaning: "a lack of awareness." Israel is being destroyed today, because our people lack understanding of what's happening to them. This lack of ***understanding*** is being encouraged by our politicians, our educators, and in many instances our religious leaders.

Webster's Dictionary defines ***awareness,*** as "to be vigilant; on one's guard; being socially informed." This truth spawned the saying: "Eternal vigilance is the price we pay for freedom." When we become uninformed on what's taking place, we lose this freedom.

One is aware of something when they come to a certain knowledge of it through observation or information.

This is one of the reasons I have written this book. It is to give you knowledge about what the enemy has planned for us and what he is doing, to accomplish it.

Knowledge is not ***Education.*** Education is the process of training to develop knowledge, skill, mind, character, and the ability to apply what one has learned. One has not acquired knowledge until they are willing to accept the truth, and act on it, no matter how shattering it may be.

Too often educated men and women, without knowledge, become the ***educated fools*** spoken of in **Romans 1:21 -** "Because that, when they knew God..." We could say they had knowledge of God. When they became aware of God through observation of the things which He has made. Here we could refer to **Psalm 19:1** "The heavens declare the glory of God, and the firmament showeth His handiwork..."

Paul said, even with all this knowledge, they did not retain God in their knowledge, and God gave them over to a reprobate mind, to do those things which are not convenient (proper)." In **verse 22** of the same chapter Paul says, "Professing themselves to be wise, they became fools,"

Paul enlarges on these educated idiots in 2 **Tiimothy 3:7** when he declared, "Ever learning, but never able to come to an understanding of the truth."

We have millions of these in America, in politics, education, and standing behind the pulpits of some of our largest most prestigious churches. They have had the opportunity to know God through observation of His handiwork and His Word, yet they were not thankful for this privilege, and became morally wicked as a result, when their hearts refused to accept God's truth. They love to impress men with a string of degrees behind their name, while in the eyes of God they are fools. Someone has rightly said, "Education without God, turns men into clever devils."

Education itself, without God is extremely dangerous, as we can see to our dismay in the anti Christian education system of 1999 and into this new Century. Prayer and Bible reading have been taken out of our schools as improper, yet a teacher can hand out condoms, and show their students how to place them on bananas, as they encourage ***sexual freedom,*** and we wonder why the morals of our youth have ***gone to hell***

Isaiah 56:10,11 indicates that our shepherds (pastors), have for the most part become, "dumb dogs who cannot or will not bark." A watchdog that refuses to bark at the sign of danger is worse than useless. The same is true when pastors, politicians, and educators refuse to tell us the painful truth. Isaiah says, "these fellows are often more interested in gain, then they are in leading their people to the truth.

How anyone can look at the average TV evangelist in operation and not see this is beyond me. A few years ago, I watched a program on **TRINITY BROADCASTING NETWORK** (TBN) in what they called their nationwide **PRAISE THE LORDATHON!** While a Black preacher sweated and shouted his way through a message, across the bottom of the screen flashed these words - SEND YOUR CONTRIBUTIONS TO.... At one point the wife of the TBN president, a pretty blonde lady, made up to look like a street walker, danced her way across the stage, banging on a tambourine, while she screamed: PRAISE THE LORD, WE JUST PAST THE FOUR MILLION DOLLAR MARK!" It made me want to throw up! I thought of all the older men and women on Social Security who had a hard time making ends meet, who were sending in a few dollars, so Paul Crouch and his wife could live in luxury. This is not the Christian way! Isaiah said, "Doing everything for their own gain!"

Let's digress from this for a few moments, to look at this phenomenon which unannounced and mostly undetected, has crept into evangelical Christian circles in modern times.

It presents our church people with a *New Cross.* It looks like the Old Cross, but it's different! The likeness between the two are superficial; the differences are fundamental.

This part of my discussion centers on a pamphlet that crossed my desk a few days ago titled "**THE OLD CROSS -VS- THE NEW CROSS.",** written by Richard Ochs of Chapel Library, 2603 W. Wright St., Pensacola, Florida 32505, a ministry of Mt. Zion Bible Church.

I have take some editorial license with it without changing it's meaning. The New Cross, which has become popular throughout Christendom, has spun a new philosophy, a new evangelical technique. This new evangelism, employs much of the same language as the ***"old time religion",*** but it content has changed and it emphasis has become misleading and misplaced.

The Old Cross had no ties with the World Order. It carried into effect the sentence imposed on sinful mankind by God's Law at Sinai, that had been in effect since Adam's fall in the Garden of Eden. It said simply, "The soul that sinneth, it shall die!"

The New Cross on the other hand, is not too much opposed to the sinful condition of the human race; rather it becomes a friendly pal and if understood correctly, can provide access to oceans of good clean fun and innocent enjoyment. The New Cross lets sinful Adam live without interference from the church. His life motivation is unchanged, it is still pleasure, only now he takes delight in his sinful pleasure in the name of his Lord. His

accent is still enjoyment of life, *"You only go around once, so live with gusto!"* Now walking hand in hand with Jesus, his fun is on a higher plane, intellectually if not morally. So ***Let's everyone give a clap for Jesus!"*** While we ***celebrate***in His name rather than **worship.** When life is over, we will go to that celestial abode and have an everlasting party with Jesus. **Disgusting!**

The New Cross encourages a new and entirely different evangelistic approach. The evangelist no longer demands that the sinner give up his old sinful life to accept Christ. In fact, very little is said about repenting. He doesn't preach contrasts, rather similarities. He seeks to key the public interest by showing that Christianity makes no unpleasant demands on it's converts; rather it often offers many of the same pleasures the world does, only on a higher moral plane. Whatever the sin mad modern World Order happens to be clamoring for at the moment, is cleverly shown to be the very thing their Gospel offers. The religious version, of course, is more spiritually fulfilling than the worldly version. So if your youth are attracted to worldly dancing, by all means hold dances in the church ***rec hall.*** They even had ***integrated dances,*** for it's better to have them there, under supervision than at some ***honky tonk*** If your church youth are attracted by the African savagery of ***rock and roll,*** have a religious ***rock band*** in your church, even though they play the same soul destroying music the ***hard rock musicians*** play. It has the same emotional effect, even if the words have a religious meaning. "**After all, it is praising the Lord, you know!**" and that's all that really matters!

The New Cross does not slay the sinner, it redirects him. It gives him a jollier, cleaner way of living, and saves his self respect. To the *self assertive* it says, "Come and assert yourself in Jesus!" To the *egotist*, it says, "Come and do your boasting in the Lord!" To the *thrill seeker*, it says, "Come and enjoy the thrill only Jesus gives, as you lead men to the Lord!" Yet I can find no Scripture which says that self respect; boasting; or thrill seeking has any part with the *fruits of the Spirit.*

Any Christian message is slanted in the direction of the current vogue to make it acceptable to the world. This is not true Christianity, it is worldly compromise!

The philosophy behind this kind of deception may be sincere, but it's sincerity does not keep it from being false. It is false, because it is blind to the truth. It misses completely the message of the Old Cross, the true Cross. Maybe that's why with an estimated 50 million *born again* Christians in America, we are headed for hell faster than at any time in our history. Maybe this philosophy is what causes sinners to want Christ as Savior, all right, but they want Him as a sort of Celestial Fire Insurance Policy to keep them out of hell. They do not want Him as King, although sing about it in their church, for when He is King, He must have first place in their life, and neither preachers or parishioners in most instances, want to stop doing their own thing, to give Christ absolute control of their life. Not being judgmental,just "By their fruits shall ye know them!"

Was this the kind of evangelism Christ referred to in **Matthew 5:13**, when He said, "Ye (Christians) are the salt of the earth; but when the salt has lost his savor (it's ability to act like salt and hold back corruption), wherewith shall it be salted? it is henceforth good for nothing, but to be cast out, and trodden under the foot of man." Is your Christian experience a ***garbage heap*** experience? or do you act like salt, and fight corruption

wherever it may raise it's ugly head?

If not, the King says you are worthless in His kingdom, and fit in perfectly with the philosophy offered by the New Cross.

The Old Cross, the Spiritual Cross, is a symbol of death. It stands for an abrupt, violent end to a human being. A man in Roman times, who took up his cross, turned his back and said good-bye to his friends, and the life he had known. The Cross in those days made no compromise, it modified nothing, it spared nothing. It slew all of the man completely, leaving nothing behind but a skeleton that had been picked bare by birds of prey. It did nothing to keep on good terms with it's victim. It struck with evil cruelty, and when it was finished with it's work, the man was dead.

The race of Adam is under the death penalty for sin, today, just as it was 6,000 years ago. There is no commutation of this sentence and only one escape. God cannot and will not approve any of the fruits of sin, no matter how innocent they may appear to the world and in the eyes of unsaved men and women,' or no matter how beautiful they 'may appear. God saves the individual by spiritually killing him on the cross, then raising him to a newness of' life. This is why Jesus told us that we must "take up our cross and follow Him." In **Matthew 10:38,39** He said, "And he that taketh not his cross, and followeth after me is not' worthy of me... he that loseth his life for my sake shall 'find it."

In **Matthew 16:24-26** Jesus told his disciples, "If any man will come after me, let him deny himself, and take' up his cross, and follow me. For whosoever will save his life shall lose it: and whosoever will lose his life for my sake shall find it. For what is a man profited, if he shall gain the whole 'world, and lose his own soul? or what shall a man give in exchange for his soul?"

A second witness is given in **Luke 9:23.** Then in **Luke 14:27,** Jesus said, "And whosoever doth not bear his cross, and come after (follow) me, cannot be my disciple." In other words, The person who refuses to accept rebuffs and persecution for the sake of Christ, is not fit to be a Christian.

So you see, the Cross is of supreme importance in Christian life, not just as a religious symbol one wears around their neck on a chain; not something we sing about in church, but a reality in our. lives, that shapes our every moment of life. We know from the context of these verses, that Christ is not saying that we must be literally crucified on a cross. in order to be His followers,. but that He must be of supreme importance in our lives; He must come first in everything we do! There is no easy way to be a Christian, as so often offered by evangelists.

Evangelism which draws friendly parallels between the ways of God and the ways of man, is false Scripture, and cruel to the souls of men who should be told the truth.

Faith in Christ can never parallel. that of the world, it intersects with it! In being called by the Holy Spirit to give our life to Christ, we do not bring our old life up to a ***higher level,*** we lead it to the Cross where it is extinguished! Jesus said that the "kernel of wheat must fall into the ground and die, in order to produce." **(John 12:24)**

We are not called on to physically die, in order to be saved, but we give up the world, as

though we had died to it and it's ways! And He (God) raises us up from spiritual death, to be His sons and daughters.

We who are called to preach the Gospel must not think of ourselves as ***public relations agents*** sent into the world to establish good relations between Christ and the world. We are not commissioned to make Him acceptable to big business, the press, sports, modern education, or even the church. We are not so much diplomats, as we are prophets. Our message to sinful men and women is not that of ***compromise,*** but an ultimatum: "except ye repent, ye shall likewise perish!" **(Luke 13:3)** This is the major reason so many intelligent folks turn their backs on God. They do not like the truth!

Our God offers eternal life to all those who will listen to His Word and will be led by His Spirit to accept it. It is not an improved life. The life Christ offers is eternal life out of death! It stands on the far side of the Cross, and whoever wants to possess it, must be willing to *pass under the rod.* They must be willing to completely repudiate themselves, die to self and agree with God's sentence against them.

What does this mean to the individual; to the man and woman who stands condemned before their God? How can this theology be translated into reality? Simply, they must repent, under the wooing of the Holy Spirit and believe! They cannot come to Christ, as the evangelists tells them, of their own volition, but only as the Spirit leads them. The Word clearly says, "For as many as are ***led*** by the Spirit of God, they are the sons of God." **(Romans 8:14) Verse 16** in that same chapter says, "The Spirit itself beareth witness with our spirit, that we are the children of God:" The 8th chapter of Romans gives us a thorough discussion of this salvation process of being led by God's Spirit to salvation. It begins with this wonderful promise: There is therefore now no condemnation to them which are in Christ Jesus, (NOTE CAREFULLY NOW) who walk not after the flesh, but after the Spirit. For the law of the Spirit of life in Christ Jesus hath made me free from the law of sin and death."

Do you understand this wonderful revelation? We are free from the law which says: "The soul that sinneth it shall die, when we come under the law of the Spirit.

Notice **verse 5 -** "For they that are after the flesh do mind the things of the flesh; but they that are after the Spirit the things of the Spirit. **(Verse 6**) For to be carnally (fleshly) minded (putting things of the world first in our life) is death; but to be spiritually minded (following the guidance of the Spirit) is life and peace."

This does not mean that we will not need earthly things in order to get along in this corrupt worldly atmosphere, but that we must place Him ***first,*** before all else!

Ask yourself how you stand on the basis of **verse 7 -** "Because the carnal mind is enmity against God: for it is not subject to the law of God, neither in deed can be."

Those of you who have been taught that Christ did away with the Law, need to take heed of this verse, for it clearly indicates that we cannot be God's children and violate His law. Paul sums up his thoughts in **verse** 8 "So then they that are in the (live) flesh (those who insist on doiposiheir own thing) cannot please God."

Have you ever heard a TV evangelist preach on this verse? Have you heard your pastor

preach it? L never have! When an evangelist or a preacher tells you that all you need to do to be saved, is come to God, ask His forgiveness and ask Jesus to come into your heart, he is a liar! He is preaching a false Gospel, the Gospel of the New Cross, which is found no where in Scripture.

Paul indicates in **verse 9,** that if a person does not have the Spirit of God (the Holy Spirit), he cannot be saved. This indicates that the Holy Spirit enters a man or women when they have been led by Him to see their sinful condition; not by the evangelist; when they are sorry for their rebellion against God, and accept Him as not only as Savior but as their Sovereign Lord! Meaning He is to have complete control over their lives from that point on!

Have you ever heard a preacher explain this to those at the altar who are seeking Christ? Watch Benny Hinn's TV program some time and see for yourself.

We receive the Holy Spirit when we accept Christ as Savior, when we bend our will to do His will. It is not a second work of grace: that must be accompanied by ***speaking in tongues,*** as our Pentecostal brethren teach.

Verse 14 says, "For as many as are led by the Spirit of God, they are the sons of God." They did not come to God of their own free will, that would make it ***salvation by works.*** Do you have this Holy Spirit witness in your life? Because we are His children, He gives us this marvelous assurance: "And if children, then heirs; heirs of God, and joint (in conjunction with) heirs with Christ; (notice carefully now) if so be that we suffer with Him, that we may be also glorified together." This means if you are not willing to suffer persecution for His sake, you are not fit to be His follower. This sort of eliminates those who follow the New Cross.

In **Matthew 10:22** our King told us, "And ye (Christians) shall be hated of all men (in the world) for my name sake: but he that endureth (stands fast) to the end shall be saved." For a second witness, see **Luke 21:17,19.**

I am not preaching a message on election, but merely showing you that the ***born again process,*** as explained by the Apostle Paul, goes much deeper, than reading the sinners prayer, printed on a card and handed to you at the altar by the evangelist or one of his helpers. I believe that **Romans 8:28** is one of the greatest promises in the Bible: "And we know that **all** things work together for good to them that love God, to them ***who are the called according to His purpose.***" (Emphasis mine!)

From Paul's words in **Romans 8:29-31,** it appears that the only people who will be saved, will be those who God in His Omnipotent wisdom has ***predestinated*** (called); justified and glorified. I know this will go counter to what some of you believe, but that's what Paul taught.

Let's get back to our discussion of the Old Cross -vs- the New Cross! Some of you may wonder why I'm bringing this up in a book titled "**This Time Bomb) Called Zionism**"**?** It's because the falsehood of the New Cross which is emasculating Christianity in 2000, has been brought to the Christian world courtesy of the infilterators of Judaism in the JudeoChristian church, who are using it to nullify the power of Christianity, making it next to useless, and eventually leading to it's destruction - so they say!

Many so called Christians will object to the assessment I have made and call it my ***narrow minded, private, hateful interpretation of Scripture*** I invite you to check and see for yourself. God has set His hall mark of approval on this narrow minded message. From the days of the Apostle Paul to the present time, whether stated in these exact words or not. All preaching which has had an impact and brought life to dying mankind for the past 2,000 years, through the time of the Reformists, and the great revivals of the Nineteenth Century, have been preached on the truth of the Old Cross. If you notice I do not mention the Billy Graham Crusades of the Twentieth Century, for although they have resulted in tens of thousands of ***commitments,*** they have resulted in very little positive change in the Spiritual condition of America.

Remember **Jeremiah 23:22 -** "If the preachers of the land, would preach the whole counsel of God's Word, the people would have turned them from their evil ways, and from the evil of their doings." Do you honestly believe this has happened in the United States and Canada?

Compare the campaigns of a Billy Sunday or Dwight L. Moody, to those preached by the adherents of the New Cross. Today the evangelist sweeps into town after weeks of publicity and fills the largest auditoriums or sports arenas in the city. He entertains those who attend with the finest in Gospel singing, possibly even a well known religious rock band. His advance men have everything perfectly planned. He is on nightly TV, and after his impassioned sermon, when he gives the altar call, hundreds, seduced by his directions to ***have fun in Jesus,*** line the altar, after they are led there by his strategically placed ***con men*** who make the first move to the altars and begin a psychological reaction as it was meant to do. Tens of thousands sign commitment cards.

The evangelist leaves town and everything in the city goes back to normal. Most of the people who signed commitment cards still go to the same old worldly places they attended before. The topless bars still operate; the red light above the houses of the prostitutes still burns; the dope pushers and pimps still operate on their favorite corners and many of those who signed commitment cards, fizz for a few weeks, until they are persecuted for their new found faith, and then go back to their old life style.

Jesus prophesied this in His parable of the Sower, in **Matthew 13:20,21 -** He said, "he that received the seed into stony places, the same is he that heareth the word, and anon (immediately) with joy receiveth it;" (He may dance at the altar, or down the aisles of the church; he may shout and sing; or erupt in **holy laughter.)** Yet hath he not root in himself, but dureth (remains faithful) for a while: for when tribulation or persecution ariseth because of the word, by and by he is offended."

During my thirty five years in Christian work, I have known hundreds like this. **Hebrews 6:4-6** indicates that it would have been better for them, if they had never made a commitment to Christ.

Dare we as heirs of God's legacy of Spiritual power tamper with the truth? Dare we, with our stubby pencils, and our fair words, erase the lines of the blueprint, or alter the pattern shown us at Calvary? God forbid! Let us continue to preach the Old Cross, for it is the "power of God unto salvation, to every one who believes."

I have rambled at length through the Scriptures, to show you the truth regarding God's blessings for obedience and curses which automatically come with disobedience! So allow me to end with a few observations from my favorite prophet Isaiah. In the beginning of his messages to Israel **(1:18-20)** He says, speaking for God: "Come now an let us reason together, saith the Lord: though your sins be as scarlet, they shall be as white snow; though they be red like crimson, they shall be as wool. If ye be willing and obedient, ye shall eat the good of the land: But if ye refuse and rebel (disobey), ye shall be devoured with the sword (war): for the mouth of the Lord hath spoken it."

This message both delights and sobers me. It seems plain enough that it should need no explanation.

In **Isaiah 10:1,2** he pronounces God's curse against un-Godly rulers such as we now have in Washington, D.C. "...decree unrighteous decrees, and that write grievousness which they have prescribed; To turn aside the needy from judgment, and to take away the right from the poor people, that widows be their prey, and that they may rob the fatherless!"

Look into the truth behind the so called Welfare Programs we now have in America, and the billions of dollars which are siphoned off by graft each year. I do not believe those mentioned as being harmed in this verse apply to the ***dead beats,*** who glory in eating at the welfare trough, with no sign of willingness to help themselves, or have additional illegitimate children so as to draw additional welfare checks.

Thank God, there is a message of hope for Israel, in Isaiah's message, if we will return to Him in *repentance and obedience* We have this promise from God our Savior, **chapter 11:1** - "And there shall come forth a rod out of the stem of Jesse, and a Branch shall grow out of his roots:" Then in **chapter 9:6,7** - "...and the government shall be upon his shoulder: and his name shall be called ***Wonderful. Counsellor. The Mighty God. The everlasting Father. The Prince of Peace-"*** Of the increase of his government and peace there shall be no end, upon the throne of David, and upon his kingdom, to order it, and establish it with judgment and with justice from henceforth even for ever. The zeal of the Lord of hosts will perform this." The Lord has spoken and ***it shall be so!***

So while the heathen of Zionism rage, and the people of the New World Order imagine vain things, and the kings of the earth, and the rulers of the World order take counsel together against the Lord, and His anointed, Jesus Christ, saying, "Let us break their bands asunder and cast away their cords from us. He that sitteth in the heavens shall laugh, the Lord God shall hold contempt. Then shall He speak unto them in His wrath, and vex them in His sore displeasure." **(Psalm 2:1-4)** So listen to the advise of Isaiah in **Isaiah 26:20,21 -** "Come , my people (Israel), enter thou into thy chambers, and shut thy doors about thee: hide thyself as it were for a little moment, until the indignation be overpast. For, behold, the Lord cometh out of his place to punish the inhabitants of the earth for their iniquity: the earth also shall disclose her blood, and shall no more cover her slain." In **Isaiah 27:6 -** "He (God) shall cause them that come from Jacob (Israel) to take root: Israel shall blossom and bud, and fill the face of the world with fruit."

A blessing for obedience is found in **Isaiah 25:8 -** "He (Christ) will swallow up death in victory; and the Lord God will wipe away tears from off all faces; and the rebuke (shame)

of his people (Israel) shall he take away from off all the earth: for the Lord hath spoken it."

To the **true Israel** of White Christendom, God speaks in **Isaiah 43:10,11 -** "Ye are my witnesses, saith the Lord, and my servant whom I have chosen: that ye may know and believe me, and understand that I am he: before me there was no God formed, neither shall there be after me. I, even I, am the Lord; and beside me there is no saviour.

This confirmed by a second witness in the New Testament, in **Acts 4:12 -** "Neither is there salvation in any other: for there **is** none other name under heaven given among men, whereby we must be saved."

As to the people who we know as Jews, we have read God's pronouncement against them in **Isaiah 65:15 -** "And ye (Jews) shall leave your name for a curse unto my chosen (Israel): for the Lord God shall slay thee, and call his servants (Israel) by another name (Christian) :"

The preaching of the Judeo-Christian tradition, that the anti Christ's of Judaism are God's chosen, has done more to bring about destruction to God's people, than any single cause, other than our disobedience.

If young Christian Americans could understand that the God of the Bible wrote the history of the Anglo/Saxon/Israel race, thousands of years before it came to pass, no socialist teacher, no atheist professor, no liberal Bible teacher, could keep them from believing that the Bible is indeed, the infallible Word of God and that it is the truth! Those who hide and oppose the truth; those who hide the truth of Israel's true Identity, will some day answer before God for the incredible damage they have done to His cause.

This book, our ***rambling through God's Word,*** exposes only a few of the promises God has given us. Blessing for obedience, and curses, for disobedience!

The most important educational effort among our Israel people if we are to survive, must be to educate our people in the necessity of obedience to God, which must come before we can even think in terms of victory over those who seek our destruction.

The End
